*Civil Service Commission,*

*January 5, 1937.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

## REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANT ARCHITECTS, GRADE II, IN THE BOARD OF EDUCATION.

N.B.—*Competitions under these regulations are open both to men and women. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. The regulations are liable to alteration from time to time.*

1. Normally candidates must have attained the age of 26 on a date to be fixed in respect of the competition in which they are to take part but must not have attained the age of 32 on that date. In reckoning age for competition the following allowances will be made, viz. :—

(a) Candidates who have served or who are serving in the Navy, Army or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the certificate of the Civil

Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject, but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent, cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancies which they desire to fill, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. Candidates should be trained Architects in the sense that they (i) should have served articles with a reputable firm, or alternatively, should have passed through the course prescribed for exemption from the final examination of the Royal Institute of British Architects at one of the architectural schools recognised by that Institute, and (ii) should subsequently have had some years' experience in architectural practice either in the capacity of an Assistant to a Principal, or partly in that of Assistant and partly in that of Principal.

6. Applications shall be addressed in the first instance to the Secretary, Board of Education, and shall be made on a form to be obtained from the Establishment Officer of that Department. The Board of Education will recommend to the Civil Service Commissioners those candidates who appear to possess the requisite qualifications and to be best qualified for appointment. The candidates who are so

recommended and who are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education, who shall be represented on the Selection Board. The Selection Board will take into consideration the candidates' records of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

7. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Board of Education.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

8. A selected candidate will be required to pay a fee of £8 before the issue of the certificate of qualification for appointment.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in industry or business, in the Forces or otherwise.
