*Civil Service Commission,
January 19, 1937.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE APPOINTMENT OF ESTABLISHED CATALOGUERS IN THE VICTORIA AND ALBERT MUSEUM, BOARD OF EDUCATION.

N.B.—Competitions under these Regulations are open both to men and women. Competitions do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. The Regulations are liable to alteration from time to time.

1. Candidates must have attained the age of 22 and shall as a rule not have attained the age of 30 on the 1st April of the year in which the competition is held. In reckoning age for competition the following allowances will be made, viz.:—

(a) Candidates who have served or who are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. Application shall be addressed in the first instance to the Director and Secretary of the Victoria and Albert Museum and shall be made on the appropriate form. He will examine the candidates' credentials and take such other steps as seem good to him to ascertain their qualifications, and will submit the names of such candidates as appear to have the best qualifications for any existing or prospective vacancy to the Board of Education for approval of their candidature. The papers of candidates thus approved will be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality of candidates for any vacancy, may require further search to be made for qualified candidates.

6. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education as in their opinion fits them for the post. In general, candidates should possess a university degree and a knowledge of at least one modern language. The Commissioners may submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

7. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Women candidates must be unmarried or widows and will be required to resign their appointments on marriage.

8. Candidates who are recommended by the Board of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education, who shall be represented on the Selection Board. The Selection Board will take into consideration the candidates' records of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview; and on their estimation of all the above evidence they will frame their decisions.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidates' work, whether at school, at the university, in the Forces, or otherwise.

10. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of £1. A selected candidate will be required to pay a fee of £3, towards which the fee paid at the qualifying examination (if any) will count, before the issue of the certificate of qualification for appointment.

NOTICE is hereby given that on the 7th day of January, 1937, the Minister of Health notified his approval of the resolution of the Salop Eastern Joint Planning Committee dated the 8th day of October, 1936, deciding to prepare the above planning scheme with reference to an area situate and comprising the whole of the Rural Districts of Wellington and Shifnal. The Map defining the area to which the resolution applies has been deposited at the Wellington Urban Council Offices, 14, Walker Street, Wellington, Salop, and will be open for inspection by all persons interested without charge between the hours of 10 a.m. and 12 noon on Saturdays and 10 a.m. and 12 noon and

Any person who is, or claims to be, an owner of any property in the area and any association representing owners of property within the Rural Districts of Wellington and Shifnal and any local association representing business or industry may by notice in writing, specifying in the case of an owner the property of which he claims to be the owner, require the Salop Eastern Joint Planning Committee to register without charge his or their name and address for the service of subsequent notices relating to the scheme.

Under the Town and Country Planning (General Interim Development) Order, 1933 (on sale—obtainable (price 2d.) from His Majesty's Stationery Office, Adastral House, Kingsway, W.C.2, or through any bookseller), the development of land in the area during the preparation of the scheme is permitted to the extent specified in the Order and in addition the Wellington Rural District Council and the Shifnal District Council are empowered to permit other development in their respective areas during this period, with a view in either case to protecting the development from the risk of removal or alteration without compensation under the scheme when approved and in operation. A print of the Order has been deposited together with the aforesaid Map.

The Salop Eastern Joint Planning Committee intend to proceed as soon as may be with the preparation of a Draft Scheme and

any suggestions as to the proposals to be included in the Draft Scheme should be sent in writing to the Clerk to the Joint Committee.
