which Institution and bodies are organisations representative of employers in a section of the road transport industry concerned with the conveyance of goods which the Minister of Labour has certified to be proper bodies, in respect of the branches of the industry which they represent, to make application for a variation of the periods of time laid down in Section 19 of the Road Traffic Act, 1930, as amended by Section 31 of the Road and Rail Traffic Act, 1933, for the employment of drivers of road vehicles of certain types.

The variation applied for is to the effect that the period of 11 hours laid down in Section 19 (1) (ii) of the Act of 1930 may be increased to 12 hours on not more than two days in each of the three weeks ending on the 18th and 25th December, 1937, and 1st January, 1938; the variation to apply only to the drivers of vehicles whose use is authorised under a "C" carrier's licence granted under Part I of the Road and Rail Traffic Act, 1933. The applications suggest that any Order made should be of a permanent nature applicable to successive Christmas seasons.

As provided by the Act the Minister has referred the matter to the Industrial Court for advice. The Court has fixed Friday, 26th November, at 11 a.m., at No. 5, Old Palace Yard, London, S.W.1, as the time and place for hearing parties to the applications.

Copies of the proposals contained in the applications for the variation of the periods of time laid down in Section 19 of the Act can be obtained from the Secretary of the Industrial Court at the address given above.

Persons representing organisations of employers or workpeople in the industry who may desire to make representations to the Court in the matter should either give notice beforehand to the Secretary of the Industrial Court that they desire to be heard or submit their representations in writing to the Secretary.
