Civil Service Commission,

June 24, 1938.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:

REGULATIONS FOR APPOINTMENT BY COMPETITIVE SELECTION TO THE SITUATION OF SECOND CLASS CLERK IN HIS MAJESTY'S GENERAL REGISTER HOUSE, EDINBURGH.

N.B.—Competitions under these regulations are open both to men and women. Competitions do not take place at fixed intervals, but are held only on the occurrence of vacancies proposed to be filled from outside the Service. The regulations are liable to alteration from time to time.

1. The Keeper of the Registers and Records will take such steps as he thinks most appropriate to make known the existence of any vacancy or vacancies which he desires to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

2. Applications for appointment must be made to the Keeper of the Registers and Records on the prescribed form by a date to be fixed on each occasion.

3. Candidates must have attained 21 years of age and must not have attained 30 years of age on the last day fixed for the receipt of applications.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

4. Where the vacancy or vacancies to be filled are in the Sasine Office, candidates will be required to have passed the examination qualifying for admission as an apprentice to a Law Agent, or an examination of a standard accepted as equivalent by the Civil Service Commissioners and to have served in the office of a Conveyancer practising in Scotland for a period of at least five years after age 16, with the proviso that this period may be relaxed in
