The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th and 6th years of Her late Majesty Queen Victoria, Chapter 26, duly prepared, and laid before His Majesty in Council, a Scheme bearing date the 16th day of June, 1938, in the words and figures following, that is to say:—

" We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of His late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th and 6th years of Her late Majesty Queen Victoria, Chapter 26, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorising certain improvements at the Episcopal House of Residence belonging to the See of Bath and Wells which is known as The Palace, Wells:

" Whereas the Right Reverend Francis, now Bishop of Bath and Wells, is desirous that certain improvements should be made at the said Episcopal House of Residence and has submitted to us the particulars of such improvements and we have specified our general approval of the same:

" And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the aforesaid improvements a sum of £120 (being a sum which together with the outstanding balance of the sum already borrowed under the authority of the statutes hereinbefore mentioned for effecting improvements at the said Episcopal House of Residence does not exceed two years' income of the See) should be provided by way of advance from us, the said Ecclesiastical Commissioners, to be repaid out of the emoluments of the Bishopric of Bath and Wells:

" Now, therefore, with the consent of the said Francis, Bishop of Bath and Wells (testified by his having affixed his signature and Episcopal Seal to this Scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorised to borrow and that we be authorised to advance and pay to him a sum of £120, and that the whole or any part or parts of the said sum of £120 so to be advanced shall be applied by us at such time or times and in such manner as shall appear to us to be expedient towards effecting the said proposed improvements at the Episcopal

Residence aforesaid, and that such sum of £120 shall be repaid with interest thereon as herein-after mentioned, in the manner following, that is to say, during the period of ten years from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, the said Bishop or his successors shall at the end of each year pay to us, the said Ecclesiastical Commissioners, one tenth part of the said principal sum of £120 and shall also at the end of each year pay interest at the rate of £4 per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid or alternatively it shall be permissible for us, the said Ecclesiastical Commissioners, to provide for the repayment of the said sum of £120 and interest thereon or on outstanding balances as aforesaid by way of a yearly deduction during the said period of ten years from the annual sum payable by us to the said Bishop of Bath and Wells and his successors.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the herein named Acts or of either of them or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Bath and Wells.

This day had Audience of The KING:—  
His Excellency Hassan Nashat Pasha, to present the Letters of Recall of his predecessor Doctor Hafez Afifi Pasha, and his own Letters of Credence as Ambassador Extraordinary and Plenipotentiary from His Majesty the King of Egypt; and Monsieur George de Barcza, to present the Letters of Recall of his predecessor Monsieur Constantine de Masirevich, and his own Letters of Credence as Envoy Extraordinary and Minister Plenipotentiary from His Serene Highness the Regent of the Kingdom of Hungary.

*Whitehall, June 21, 1938.*

His Majesty The KING has been graciously pleased to award the Edward Medal in Silver to Harold Gleave, in recognition of his gallantry in the following circumstances:—

At about eleven o'clock at night on the 18th April, 1938, at Bank Quay Railway Station, Warrington, a passenger named Gaughan fell from No. 1 platform and lay across the nearest rail in the path of an incoming train, then about 150 yards away and still travelling at a fair speed.

Gleave was then on No. 3 platform. Hearing shouts of persons on No. 1 he rushed to that platform, crossing some railway lines and No. 2 platform, a distance of about 35 yards. When he arrived, the train was only about 20 yards from where Gaughan was lying and it appeared obvious that it could not be stopped in that distance. It was then travelling about 5 miles an hour, that is, at the rate of 22 yards in 9 seconds.

Another porter, James Topping, endeavoured to jump down on to the rails to rescue Gaughan, but was held back by passengers. Gleave, coming up behind him, jumped down, swung Gaughan's body on to the way between the rails so that the train might pass above him, and then endeavoured to scramble out of the path of the train, but was struck by it. Fortunately he was thrown clear; but he did not escape without some injuries. Gaughan was also injured.

After the train had come to a standstill Gleave, notwithstanding his injuries, assisted in the work of extricating Gaughan.

Gleave displayed conspicuous initiative, presence of mind and courage in rescuing Gaughan from almost certain death at imminent risk to his own life.
