GAS REGULATION ACT, 1920.

STONY STRATFORD GAS ORDER, 1937.

NOTICE is hereby given pursuant to the provisions of the Stony Stratford Gas Order, 1937, that on and after the 1st day of October, 1939, the calorific value of the gas which the Stony Stratford Gas and Coke Company Limited intend to supply will be 500 British Thermal Units per cubic foot.

Dated this 27th day of June, 1939.

For the
Stony Stratford Gas and Coke Company
Limited,
(187) F. B. WALLER, Manager.

Board of Trade.—1939.

KEIGHLEY GAS.

(Application for a Special Order under the Gas Undertakings Acts 1920 to 1934.)

NOTICE is hereby given that application is intended to be made to the Board of Trade by the Mayor, Aldermen and Burgesses of the Borough of Keighley (hereinafter referred to as "the Corporation") whose address is the Town Clerk's Office, Town Hall, Keighley, for a Special Order (hereinafter referred to as "the Order") under and in pursuance of the Gas Undertakings Acts 1920 to 1934, for all or some of the following, amongst other, purposes (that is to say):—

1. To merge the gas undertaking of the former Haworth Urban District Council, authorised by the Haworth Local Board of Health Act 1872 and transferred to the Corporation by the County of York West Riding Review Order 1938 with the gas undertaking of the Corporation.

2. To extend the limits within which the Corporation were authorised to supply gas immediately before the first day of April nineteen hundred and thirty-eight (hereinafter referred to as "the existing limits") by the addition thereto of such part of the borough of Keighley as immediately before the said date formed the urban districts of Haworth Oxenhope and Oakworth except the parts of the said urban districts of Haworth and Oakworth as were already within the said limits (such part of the said borough being hereinafter referred to as "the added limits") and to authorise the Corporation to exercise within the added limits, all or some of the powers,

rights, privileges and authorities, for and in relation to the supply of gas, which they have or may exercise within the existing limits.

3. To authorise the Corporation to hold and use for the purposes of their gas undertaking the land hereinafter mentioned, and on the said land to maintain, erect, alter, improve, renew and discontinue gasworks, machinery and apparatus and to do all such acts as may be proper for making and storing gas and for supplying gas within the limits for the time being of the Corporation for the supply of gas (hereinafter referred to as "the limits of supply") and to work up and convert the residual products arising from the manufacture of gas. The land above referred to is:—

A plot or parcel of land situate at Haworth in the borough of Keighley containing 1 acre, 1 rood, 37 perches and 9 yards or thereabouts, bounded on the north-east by Victoria Road, on the south-east in part by Prince Street and in other part by property belonging to or reputed to belong to Jack Ogden, Sam Ogden, Ellen Winterbottom and others, on the south-west in part by Apsley Street and in other part by Bridgehouse Beck and on the north-west in part by Mill Hey and in other part by property belonging to or reputed to belong to the Executors of Hayden Winterbottom, Edith Ladson, the Executors of Benjamin Mitchell, Frank Holmes Heaton, Thomas Feather and the Trustees of Daniel Fielding.

4. To empower the Corporation for the purposes of their gas undertaking to purchase, take and hold further lands by agreement, and to make further provision with respect to the retention and disposal of lands acquired by the Corporation for the purposes of their gas undertaking, and with respect to the proceeds of the sale of any lands or other property of the Corporation under the powers proposed to be enacted by the Order.

5. To authorise the Corporation to hold, purchase or take on lease houses, cottages and other buildings for persons employed by them in connection with their gas undertaking, and to erect, fit up, maintain and let any such buildings.

6. To make further provision with regard to the gas undertaking of the Corporation and the supply of gas by them, and, in particular, to empower the Corporation to break up and to lay, maintain, inspect, repair and renew pipes in streets outside the limits of supply, but bounding those limits, or streets so situated, upon which the said limits abut, for the purpose of supplying premises abutting upon any such street and being within the said limits; to empower the Corporation to make specifications in regard to the construction and placing of pipes, etc.; to authorise the Corporation to require the placing of meters in positions approved by them; to authorise the Corporation to provide, fit up and maintain showrooms and offices and exhibit specimen installations, machinery, etc., and give demonstrations of the uses to which gas can be put; to make provision for the application of the proceeds from the sale or hire of fittings, and for the recovery of sums due for such fittings and for the provision of materials and work done in connection with such fittings; to prescribe a penalty for the misuse of prepayment meters; to authorise the Corporation to levy and
