Rupert B. Howorth.

At the Court at *Buckingham Palace*, the 11th day of *December*, 1939.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Minister of Health, after giving 10 days' previous notice of his intention in that behalf, has, under the provisions of the Burial Act, 1853, as amended by subsequent enactments, made a Representation to His Majesty in Council that for the protection of the Public Health, the opening of any new burial ground in the Civil Parish of Hook, in the County of the West Riding of Yorkshire, save with the previous approval of the Minister of Health, should be prohibited, and that burials should be discontinued therein as hereinafter directed:

And whereas by an Order in Council of the 13th October, 1939, Notice of such Representation was given, and it was ordered that the same should be taken into consideration by a Committee of the Privy Council on the 25th day of November next, and such Order has been published in the London Gazette, and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, as it is hereby ordered, that no new burial ground shall be opened in the said Civil

Parish of Hook save with the previous approval of the Minister of Health, and that burials shall be discontinued therein as follows, viz.:—

Hook.—Forthwith and entirely in the Parish Church of Saint Mary, in the said Parish, and in the Churchyard attached thereto.

Provided that—

(a) In any earthen grave now existing in the said Churchyard the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave;

(b) In the said Churchyard, in any grave space in which no interment has heretofore taken place, the burial may be allowed of the body of any person for whom or of any member of a family for which such grave space has been reserved and appropriated as a burial place, with the exclusive right of burial therein, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.
