CENTRAL CHANCERY OF THE ORDERS
OF KNIGHTHOOD.

*St. James's Palace, S.W.1.
8th September, 1942.*

The KING has been graciously pleased to award the GEORGE CROSS to

Captain Dudley William Mason, Master, s.s. "Ohio."

During the passage to Malta of an important convoy Captain Mason's ship suffered most violent onslaught. She was a focus of attack throughout and was torpedoed early one night. Although gravely damaged, her engines were kept going and the Master made a magnificent passage by hand-steering and without a compass. The ship's gunners helped to bring down one of the attacking aircraft. The vessel was hit again before morning, but though she did not sink, her engine room was wrecked. She was then towed. The unwieldy condition of the vessel and persistent enemy attacks made progress slow, and it was uncertain whether she would remain afloat. All next day progress somehow continued and the ship reached Malta after a further night at sea.

The violence of the enemy could not deter the Master from his purpose. Throughout he showed skill and courage of the highest order and it was due to his determination that, in spite of the most persistent enemy opposition, the vessel, with her valuable cargo, eventually reached Malta and was safely berthed.

(The award is dated 4th September, 1942.)
