

1550961 Leading Aircraftman John Young McGregor Sayers REID, R.A.F.V.R.

This medical orderly displayed great courage on the beaches of Normandy on "D" day. Whilst the beaches were under intense fire, for many hours he attended to some 100 wounded. This involved moving many times across the whole beach. Without his aid the medical officer would have been unable to achieve the excellent results which he did.
