THE Imperial Ambeffador received an Express this week from Victure, upon which he returned hither from Frascri, and had Audience of the Percise tests Instant, to acquaint him with the Emperis Resolution to puritie the War in Italy with the imod vigour, and that the Imperial Truops are drawing together for that purpose near Roversio. The Version Ambassador had Audience the same day, and regioned to the Pope, that the Republick having rejected to observe an exact Neutrality between the Impristiffs and the Franch, would not oppose their Pasing through the Vinetian Territories, and communicate to him at the same time the Advices the Senate historied, that the Tirks are making Preparations both by Sea and Land. The Congregation appointed no consider of the Affair of the Investiture of Nipses and Siril, have readived, that before the same is granted, the Prince to whom it's given, shall agree to seven conditions, two of the Chief of which are, That is Tround of the Inquinition shall be admitted there; and the Bishop of Parcia restored, who was bandhed that some Difference he had with the Court of Spain, extending and Conform to be fail from Civita Vector to Spain, the pages Galleys are ready to fail from Civita Vector to Spain, the pages Galleys are ready to fail from Civita Vector to Spain, the pages Galleys are ready to fail from Civita Vector to Spain, the pages Galleys are ready to fail from Civita Vector to Spain, the content and Conform to the pages Galleys are pages to fail from Civita Vector to the content of the Spain, the pages Galleys are pages to fail from Civita Vector to the Spain and Conform to the pages Galleys are pages to fail from Civita Vector to the content of the Spain and Conform to the Spain the Spain and Conform to the Spain to to decening the Ecclenatical Immunities and Privileges. The Pope's Galleys are ready to fail from Civita Vectors to General and Confert, to tetch the Soldiers which may been raifed in those Parts for his Service; And issad, the Pope intends to re-stablish the Guard et Costa, which, in purfuance of the Agreement made bewenthe Most Christian King and the Pope in the purities, was broke, with a declaration, That none et has Nation should be capable of being for the infinite which the fail Guards had the year before offered to the Picke of Cremi, who was then Amballador of to the Riche of Gregui, who was then Amballador of home at the Court of Rome. Three Companies of fost were fent from hence this week to Ferning, to the more the Garrison of that Place; and the Popularity wired to raife more Forces, as foon as the new Levies

mare now making are compleated.

Milan, May 14 The Government here has re-Milm, May 14 The Government nere was cared 50000 Crowns in Bills of Exchange from Marid, and 15000 from Sicily; but these are vemimil Sums, confidering what is necessary for the prefent Occasions. The Council have met fettel times to consider of raising Supplies in this Country, and the Chancellor is gone to the Camp at Rivoli to acquaint the Prince of Vaudewith the Resolutions they have taken. The wakhielt Inhabitants of this Dutchy are all tited according to their feveral Abilities, under the notion of making a Free Gift to the King of Spain. The Duke of Savoy's Forces are to draw mostkar. together on the Frontiers of this State towards in latter end of this month; 'Tis faid, his Royal History Highness defers coming hither till he has received the Advance Money which the Franch are to pay In The freshest Advices from the Army commaded by Maishal de Carinat say, they continue in their Gamp near Riveli over-against Chiusa, laving the River Adige before them, and the late de Gastas behind them; They are not as setable to the form the late of the same than the late of the same than the same transfer are given to

of French Men of War towards Gadiz. Twelve Galleys are fitting out at Marseilles.

Leghorne, May 18. Letters from Algiers of the 20th of April give an Account, that on the first of that month, the Dey of Algiers marched from thence with a considerable Body of Horse and Foot, and on the 12th joined the rest of his Foot, and on the 12th joined the reit of his Forces, which were fent before to observe the King of Morecco's Troops; The Algerine Army was then 15000 Horse, and 5000 Foot, with 9 Pieces of Cannon; That day and the next they continued their march, the 14th the Dey made a halt to restesh his Troops, and the 15th and 16th he marched again; The 17th he sent our several Parries to ger Intelligence of the English out several Parties to get Intelligence of the Enemy, who brought him an Account, that the Forces of Morecco being about 50000, advanced towards him; whereupon the Algerines drew up in order of Battel, and the Enemy being come up, the Dey, at the head of his Horse, began the Fight, and by 11 in the morning both Armies were engaged; The Fight lasted till about 3 in to give way, and by 4 the Dey of Algiers had gained a compleat Victory, taking all Muly Ishe macks Baggage, cutting in pieces 7000 of his Men, and taking a great many Prisoners; and the Algerines were in pursuit of the rest. 'Tis said, Muly Ishmael was wounded with a Launce in his Shoulder. his Shoulder.

his Shoulder.

Florance, May 20. The Great Duke of Tufenny intends to go from hence in 5 or 6 days to his Palace at Pernia, and the Great Prince and Princels went two days ag) to Paggio Ceenno. Signior Torno juinel, Governor of Porto Fereno, is made Governor of Legiorne, in the place of the late General Borre. The Prince of Parma arrived here yetterday in his way to Parma, being lately come from Rome. Cardinal d'Effrec has oven at Perma, where he had leveral Conferences with the Duke, and went afterwards to Moliva, from whence he is returned to Fine.

he is returned to Finles.

Venice, May 20. The Senate have chosen Signior Dani l Desfino to go their Ambassador to the Emperor, in the room of Signior Lerenzo, who is recalled from that Employment. The last Letters from Verma give an Account, that Marshal de Catinat was fortifying his Camp at Rivoli; that he had fecured all the Paffes on that fide with strong Retrenchments, and had fent Engineers to the Mountains of Brescia and Vicentine, to view the Places where Fornisiations may be made to hinder the Garmans entring that way into Last, and that he intends to form two other small Camps, at such convenient distances that they may soon join the main Army whenever there is occasion. Prince Eugene of Savey came the 18th Instant to Roveredo, and most of

in their Gamp near Riveli over-against Chiass, the Gamp near Riveli over-against Chiass, the River Adige before them, and the labeled Gamed behind them; They are not as problem 14000 strong; but Orders are given to the test of the French and Spanish Forces in their lasts to draw together; in order to join them. The side of the French and Spanish Forces in their lasts to draw together; in order to join them. The last to draw together; in order to join them. The last adman. The Duke of Parma's Forces are last as an Enemy; upon which he embarked to Ferrara, to join those of the Pope.

Gental, May 14. We have an Account from the last beginning of this month with a Squadion Service. The stand, Orders are given to collect the Arizard.

Service. The standard methant to Roveredo, and most of the German Forces are arrived on that Frontier.

Madrid, May 18. The King or Spain went this day to revew 300 Horse who are lately arrived in the neighbourhood of this Place from Catalonia; from whome 800 more are gone to Andalusse, to Guard the Coasts of that Province. Orders were sent some days ago to the Prince of Darms' and the Kingdom in 3 days, on pain the Edit of Ferrara, to join those of the Pope.

The Duke of Parma's Forces are barked at Envelope, in order to his return to Germany; Two Pieces of Eight are given to each Trooper of the Wolch is in effect to oblige them to enter into the Frence service.

The Game Forces are arrived on that Frontier.

Madrid, May 18. The King or Spain went this day to revew 300 Horse who are lately arrived in the neighbourhood of this Place from Catalonia; the methant of the Frence of the Prince of Darms' and the National Andalusse, the German Forces are arrived on that Frontier.

Madrid, May 18. The King or Spain went this day to revew 300 Horse who are lately arrived in the neighbourhood of this Place from Catalonia, and the River of the Frence of the Fr

the afternoon, when the Forces of Morocco began

Grandees and others as have not paid the fame. The Duke of Harcourt, Ambassador of France, continues so extreamly ill, that his Recovery is despaired of. Count d'Estrees is arrived at Gibraltar, with 12 French Men of War, and is to be joined there by the Spanish Galicys which are taking in some Foot at Barcetons to be transported to Cadix. Monieur Renaud, a French Engineer, is gone to Cadix, where he intends to make Engineer, is gone to Cadiz, where he intends to make fome new Works for the better Detence of that Place, provided this Court can supply him with the necessary Sums of Money for that purpose.

Sums of Money for that purpole.

Vienna, May 21. Captain Longueval, whose Papers and Contession were the first Evidences of the late Confipiracy, was brought hither the 19th Instant fron Lintz, and will in tew days be sent to Newstad, to be confronted with Prince Ragozzi, and others who are Prisoners there. The Imperial Forces in Transstvania are drawing together, and are to encamp this Summer for the Security of that Country; And all the Military Officers whose Regiments are in Hungary and Transstvania, are ordered to repair forthwith to their respective Commands. The Treaty widthe King of Denmark, for his sending a Body of his Forces into the Emperor's Service, is in a tair way of conclusion, the most effectives of the conclusion of the contest of the contest of the conclusion. his sending a Body or his Forces into the Emperor's Service, is in a fair way of conclusion, the most cliential Points being already agreed on. The Imperial Army was, according to our last Advice, encamped on the Frontiers of Italy, not far from the Irench, who had done all they could to forthly thenselves at Rivoli; The Germans had sent our several Parties to view the Passes and the Situation of the French Camp. The Letters say, there has been a great Dispute between the Spanish and French Troops about the Post of Honour, and that Marshal de Catinat had with much difficulty been prevailed with to give it to the Spanishars; and that he has writ to the French Court, that his Army is not strong enough, and therefore delires more Troops may be sent to him from France.

Francfort, May 29. The Diet of the Circle of Barouria is met, to consider about augmenting their Troops. The Diet of the Circle or the Upper Rinne is to meet next week for the same purpose.

Hamburgh, May 21. The Duke of Halstein has agreed

114

Ba.

The Diet of the Circle of the Upper Raine is to meet next week for the same purpose.

Hamburgh, May 31. The Duke of Holstein has agreed to put 3000 Men into the Service of the States-General, and Orders are given for sending them away forthwith to Holland. The Queen Dowager of Demark set out from Alterna this day, to continue her Journey to Cassel. Letters from Stocknolme consirm the departure of a great Convoy with Soldiers and Ammunition from thence to Livonia, and add, that more Forces were ready to emoark there, to be sent likewise to Livonia.

Brussell, June 3. The French Forces in this Country have Orders to leave their Quarters about the 10th of this month, and to encamp in several small Bodies. A

have Orders to leave their Quarters about the 10th of this month, and to encamp in feveral small Bodies. A great number of Wagons is sent to Nimur, to carry from thence Provisions, and Ammunition to Dieft, Tirlemmt, Venso, Gelder, and the neighbouring Places. The Line which is making by the Freuch on that Frontier, is already carried on as far as Lier. The new Works at Autworp are in great forwardness, and 36 Pieces of Cannon more were brought thither some days ago from Ghest, where they have provided a great days ago from Ghent, where they have provided a great quantity of Hand-oranadoes, and of Instruments proper for a Siege. The Battalion of Bombardiers marked for the state of quantity of Hand-Granadoes, and of Instruments proper for a Siege. The Battalion of Bombardiers marched some days ago through Bones, in their way to Guelderland; Twenty six Battalions more are shortly expected from the Rhine, and 14 from the French Conquests, from whence the French have drawn most of their Troops, and made up the Garrisons of their Towns with Militia. Monsieur Albergorti and Monsieur Puissave are lately arrived from France, and the rest of the Generals are daily expected. There happened lately a great Dispute between the French Officers and the Magistrates of Antwerp, about quartering two French Regiments of Horse that came thither late at night, which the Magistrates not doing to their fatisfaction, they provided for themselves.

Hague, Janc 3. N.S. The great Preparations the Preach make on the Frontiers of this State, giving us reason to apprehend a sudden Artack, the States have ordered the great Dyke of Henstein to be cut, whereby a very good Country is laid under water as tar as Bosses. A Regiment of Foot lately put into the Service of the States by the Mangiave of Antipach, is daily expected at Nimagian. The Prance of Antipach, is daily expected at Nimagian. The Prance of Antipach, is daily expected at the Elector Palatine's Forces, intends to go in a day or two to Dusestop, and after a short stay there.

Printed by Edw. Jones,

Oce excluded the faid Dividend.

A Commission of Bankrupt being awarded against John Forms and the great Dyke of Hensler to be cut, whereby a very good Country is laid under water as far as Bolse less. A Regiment of Foot lately put into the Service of the States by the Margiave of Anipach, is daily expected at Nimguan. The Prince of Najine Welliang, General of the filestor Palatine's forces, intends to go in a day or two to Dusclopp, and after a short the Count se Brised, late Ambaliador from France, lett behind him, is sent home. The Legipize which the Count se Brised, late Ambaliador from France, lett behind him, is sent home. The Legipize which the Count se Brised, late Ambaliador from France, lett behind him, is sent home.
