- (ii) of any other parentage, provided that she has resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of her appointment; or

(b) a naturalized British subject who has resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of her appointment; or

(c) a British subject who, although not fulfilling the requirements of sub-paragraph (a) or sub-paragraph (b), satisfies the Commissioners that she is so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in her favour.

3. Candidates must satisfy the Civil Service Commissioners as to their health and character. They must be unmarried or widows, and if appointed, will ordinarily be required to resign their appointments on marriage.

4. The subjects of examination are:—

1. English (including Handwriting, Spelling and Reading Manuscript).

2. Arithmetic.

3. Geography.

4. Either French or German or Spanish or History.

The competition will be in subjects 1 to 4, and the order of merit of the candidates will be determined by the aggregate marks in these subjects. The maximum marks are: English 300, Arithmetic 100, Geography 100, French, German, Spanish or History 100.

In addition to the written examination

(a) every candidate for appointment as Typist will undergo a qualifying test in typewriting (the marks for which will not count towards the aggregate), unless she has passed an examination in typewriting conducted by the Royal Society of Arts in which a speed of not less than 50 words a minute was required, and

(b) every candidate for appointment as Shorthand Typist will (i) undergo the qualifying test in typewriting prescribed for a typist, unless either she has obtained the above-mentioned exempting qualification or holds a situation as Typist or Clerk Typist to which she was appointed by the Civil Service Commissioners, and (ii) also undergo a qualifying test in shorthand (the marks for which will not count towards the aggregate), unless she has passed an examination in shorthand conducted by the Royal Society of Arts in which a speed of not less than 120 words a minute was required.

5. After each examination separate lists shall be prepared of candidates competing for appointments as (1) Shorthand Typists; (2) Typists and Learner Typists; and (3) Clerical Assistants, and the order of merit of the candidates on each of those three lists shall be determined by the aggregate of the marks they have obtained in the several subjects.

6. A candidate for appointment as Shorthand Typist who has failed to qualify in typewriting and/or shorthand but who would otherwise have been successful may, if her performance in the subject or subjects of failure shows that she may be expected to reach the required standard after a short period of training, be appointed as Trainee Shorthand Typist; and if so appointed, she will be required to pass a test in the subject or subjects of failure before appointment as Shorthand Typist and to pay such additional fee on undergoing the test as may be prescribed.

A candidate for appointment as Typist who has failed to qualify in typewriting but who would otherwise have been successful may, if her performance in typewriting shows that she may be expected to reach the required standard after a short period of training, be appointed as Trainee Typist; or, if she has failed to show sufficient proficiency in typewriting for appointment as Trainee Typist, she may be appointed as Learner Typist, providing that a candidate may be appointed as Learner Typist only if she is within the age limits prescribed for that grade. A Trainee Typist or Learner Typist will be required to pass a test in typewriting before appointment as Typist and to pay such additional fee on undergoing the test as may be prescribed.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (that is, the Ministry of Education, the Scottish Education Department, or the Ministry of Education for Northern Ireland, as the case may be) has been notified to the Commissioners.

8. It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service. Subject to this condition, the wishes of candidates will, where possible, be respected.

9. Application for permission to attend an examination must be made at such time and in such manner as may be fixed by the Civil Service Commissioners.

A candidate may apply to compete under these regulations for more than one Class at the same examination. Every candidate must state on her Application Form for which Class or Classes she desires to compete and, if she is competing for more than one Class, must express her preference between them.

10. A fee of 5s. will be required from every applicant for permission to attend an examination, whether she desires to compete for one Class or more; this fee is not returnable in any circumstances. A further fee of 15s., being the balance of the prescribed fee of £1, will be required from every candidate attending such examination, whether for one Class or more.

The Civil Service Commissioners further give notice that an open Competitive Examination will be held under the foregoing Regulations commencing on the 3rd May, 1946. Some candidates may be required to attend a Shorthand Test on the 2nd May. The following is a provisional list of the centres at which the examination may be held:—Aberdeen, Belfast, Birmingham, Bristol, Cardiff, Edinburgh, Glasgow, Leeds, Liverpool, London, Manchester, Newcastle-on-Tyne, Norwich, Nottingham, Plymouth and Portsmouth. The final list of centres will be decided when the number of candidates desiring examination at each centre is known. Supplementary centres, where practicable and justified by the number of candidates, may be added by the Commissioners after the receipt of applications. No person will be admitted to the Examination from whom the Secretary, Civil Service Commission, has not received, on or before the 7th February, 1946, an application in the candidate's own handwriting, or a prescribed form, of which a copy may be obtained from the Secretary at once.
