TOWN AND COUNTRY PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1945.

Surface Working of Minerals.

NOTICE is hereby given that by a Direction dated the 22nd November, 1945, made by the Council of the City of Coventry as the Interim Development Authority for the said City and for portions of the Rural Districts of Rugby and Warwick, the carrying out of mining undertakers on land comprised in their undertaking within any of the areas above mentioned of any development required for the purposes of their undertaking being development comprised within Class V referred to in Article 4 of the Town and Country Planning (General Interim Development) Order, 1945, and not being development of any other class, may not be undertaken except to the extent specified in the said Direction unless permission therefor is granted by the said Council on application made to them under the provisions of the said Order.

A copy of the said Direction and of a map defining the area to which it relates may be seen at the Town Clerk's Office, Council House, Coventry, between the hours of 9 a.m. and 5.30 p.m. on weekdays (9 a.m. to 12.30 p.m. on Saturdays).

Dated the 11th day of January, 1945.

(003) FREDERICK SMITH, Town Clerk.

BOROUGH OF EASTLEIGH.

TOWN AND COUNTRY PLANNING (GENERAL INTERIM DEVELOPMENT) ORDER, 1945.

NOTICE is hereby given that the Council of the Borough of Eastleigh as the Interim Development Authority for the said Borough has, in pursuance

of the powers conferred by Article 5 of the above-mentioned Order and with the consent of the Minister of Town and Country Planning, made a direction that the provisions of paragraph (1) of Article 4 of the said Order shall not apply to development of the description specified therein and set out in the Schedule hereto on any land comprising the area of the said Borough.

A copy of the direction and a map defining the area of the Borough to which the direction relates can be seen at the Town Hall, Eastleigh, during the hours of 9 a.m. to 5 p.m. on Mondays to Fridays and 9 a.m. to 12 (noon) on Saturdays.

SCHEDULE.

The carrying out by mining undertakers, on land comprised in their undertaking, of any development required for the purposes of their undertaking, being development comprised within Class V referred to in Article 4 of the said Order and not being development of any other Class, except:—

(a) the winning and working of minerals during a period of twelve months from the date hereof, on land which adjoins land used at the date hereof for the same purpose, where, in relation to that use, such winning and working forms a continuous operation;

(b) the carrying out in case of emergency of any development of that Class;

(c) the extension, alteration and maintenance of plant or other structures or erections required for the winning, working, treatment or disposal of minerals;

(d) the maintenance of any other buildings used for those purposes;

(e) the winning and working of minerals by underground working; and

(f) the deposit of waste materials or refuse in connection with the winning or working of minerals on any land comprised in a site which was used for that purpose on the first day of May, 1945, whether or not the superficial area of the deposit is thereby extended.
