GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland and the British Dominions beyond the Seas KING, Defender of the Faith, to

Our Right Trusty and Well-beloved Counsellor Sir Lionel Leonard Cohen, Knight, one of Our Lords Justices of Appeal;

Our Trusty and Well-beloved:—

Kenneth Raydon Swan, Esquire, Officer of Our Most Excellent Order of the British Empire, one of our Counsel learned in the Law;

Sir John Henry Maitland Greenly, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George, Commander of Our Most Excellent Order of the British Empire, Member of the Institution of Mechanical Engineers, Member of the Institution of Engineering Inspection, Lieutenant-Colonel in Our Army;

Sir William Arthur Stanier, Knight, Fellow of the Royal Society, Member of the Institution of Mechanical Engineers; and

George Macdonald Bennett, Esquire, Doctor of Science.

Greeting!

Whereas by the Patents and Designs Act, 1907, as amended by subsequent Acts, it was enacted as follows, that is to say:—

Section 29 (1). A patent shall have to all intents the like effect as against His Majesty the King as it has against a subject:

(1) Provided that any Government Department may, by themselves or by such of their agents, contractors, or others as may be authorized in writing by them at any time after the application, make use or exercise the invention for the services of the Crown on such terms as may either before or after the use thereof, be agreed on, with the approval of the Treasury, between the Department and the patentee, or, in default of agreement, as may be settled in the manner hereinafter provided. And the terms of any agreement or licence concluded between the inventor or patentee and any person other than a Government Department, shall be inoperative so far as concerns the making, use or exercise of the invention for the service of the Crown:

Provided further that, where an invention which is the subject of any patent, has, before the date of the patent, been duly recorded in a document by, or tried by or on behalf of, any Government Department, (such invention not having been communicated directly or indirectly by the applicant for the patent or the patentee), any Government Department, or such of their agents, contractors or others, as may be authorized in writing by them, may make, use and exercise the invention so recorded or tried for the service of the Crown, free of any royalty or other payment to the patentee, notwithstanding the existence of the patent. If in the opinion of the Department the disclosure to the applicant or the patentee, as the case may be, of the document recording the invention, or the evidence of the trial thereof, if required, would be detrimental to the public interest, it may be made confidentially to counsel on behalf of the applicant or patentee, or to any independent expert mutually agreed upon.

(1A) The power of a Government Department under subsection (1) of this section to make, use or exercise an invention for the services of the Crown shall include power during any war period to make, use, exercise or vend an invention, upon such terms as are mentioned in the said subsection (1), for any purpose which appears to the Department necessary or expedient for the efficient prosecution of any war in which His Majesty may be engaged or for the maintenance of supplies and services essential to the life of

the community; and the terms of any such agreement or licence as is mentioned in the said subsection (1) shall be inoperative so far as concerns the making, use, exercise or vending of an invention under this subsection as they are inoperative so far as concerns the making, use or exercise of an invention under that subsection.

(1B) For the purposes of the last preceding subsection the expression 'war period' means the period beginning with the third day of September, nineteen hundred and thirty-nine, and ending with the expiration of the Emergency Powers (Defence) Act, 1939, or any other period beginning with such date as may be declared by Order in Council to be the commencement, and ending with such date as may be so declared to be the termination, of a war period for the purpose of this section; and nothing in subsection (3) of this section shall affect the right to vend an invention conferred by the last preceding subsection.

(2) In case of any dispute as to the making, use, exercise or vending of an invention under this section, or the terms thereof, or as to the existence or scope of any record or trial as aforesaid, the matter shall be referred to the Court for decision, who shall have power to refer the whole matter or any question or issue of fact arising thereon to be tried before a special or official referee or an arbitrator upon such terms as it may direct. The court, referee, or arbitrator, as the case may be, may, with the consent of the parties, take into consideration the validity of the patent for the purposes only of the reference and for the determination of the issues between the applicant and such Government Department. The court, referee, or arbitrator, further in setting the terms as aforesaid, shall be entitled to take into consideration any benefit or compensation which the patentee, or any other person interested in the patent, may have received directly or indirectly from the Crown or from any Government Department in respect of such patent.

Section 58a. The registration of a design shall have to all intents the like effect against His Majesty the King as it has against a subject.

Provided that the provisions of section twenty-nine shall apply to registered designs as though those provisions were herein re-enacted and in terms made applicable to registered designs.

And whereas recently and particularly in connection with the present War there has been an exceptional user by or with the approval of the Navy, Army, Air Force, Ministry of Supply and other Government Departments of inventions protected by Letters Patent:

And whereas there may also have been the like exceptional user of inventions, designs, drawings or processes which, though not protected against the Crown under the said Act or otherwise, may have been of such merit or utility as to render it proper that the inventor, author or owner thereof should receive some remuneration from the Treasury in respect of such user:

And whereas We have deemed it expedient in the premises that a Commission should forthwith issue for the purposes and with the powers hereinafter appearing:

Now know ye that We, reposing great trust and confidence in your knowledge and ability, have authorized and appointed, and do by these Presents authorize and appoint you the said Sir Lionel Leonard Cohen (Chairman); Kenneth Raydon Swan (Deputy Chairman); Sir John Henry Maitland Greenly; Sir James Rae; Sir Albert George Lee; Sir William Arthur Stanier and George Macdonald Bennett to be Our Commissioners for the purposes and with the powers following, that is to say:—

(1) If any such dispute as is mentioned or referred to in subsection (2) of section 29 of the Patents and Designs Act, 1907 as amended by subsequent Acts shall arise as regards either a patented invention or a registered design and the owner of the patent or registered design as the case may be and the Government Department concerned shall agree to the matter being referred for decision to the said Commissioners instead of to the Court or otherwise as mentioned in the said sub-section (2) the Commissioners may proceed to decide and settle such dispute with authority to investigate and determine so far as may be necessary for the purposes of proceedings before them all questions of infringement and validity of the patent or the design involved:

Provided that any powers hereby given to the said Commissioners shall only be exercised by them upon the application of the owner of the patent or registered design as the case may be and upon his agreement to accept the decision settlement and determination of the Commissioners.

(2) In any case where terms of user of any invention or design (including any terms as to selling for use, licensing or otherwise dealing with any article made in accordance therewith, or any terms as to assignment of an invention under section 30 of the Act of 1907) have been agreed or are in course of agreement between the owner of the invention or design and any Government Department, the Commissioners may on the application of the Treasury make any recommendation as to the giving or withholding by the Treasury of approval of such agreement or proposed agreement, and may assist in adjusting or determining any term or terms of any proposed agreement as to which the parties may not be fully agreed.

(3) In any case of user or alleged user by any Government Department or with the approval of a Government Department by an Allied Government (other than a Dominion Government and the Government of India) of any inventions, designs, drawings or processes which, though the inventor author or owner thereof (including a servant of the Crown) may not possess any monopoly against the Crown or any statutory right to payment or compensation, may nevertheless appear from their exceptional utility or otherwise to entitle such inventor author or owner to some remuneration for such user (including user by way of selling for use, licensing or otherwise dealing with any articles made in accordance therewith) the Commissioners may, on the request of the Treasury enquire into the circumstances of the case and may make a recommendation to the Treasury as to the remuneration (if any) that is proper to be allowed therefor.

(4) In any case where, under the Agreement between His Majesty's Government and the United States Government concerning the Interchange of Patent Rights and Information, signed on the 27th March, 1946, a licence authorizing the use of an invention, discovery or design has been granted to the United States Government, the Commissioners may, on the request of the Treasury, determine the amount of compensation (if any), to be payable to the licensor, having regard to the utility of the invention, discovery or design, to the extent of its use in pursuance of the licence, and to all other relevant circumstances.

And for the better effecting the purposes of this Our Commission, We do by these Presents authorize you to sit in two divisions, each division consisting of such three or more of you as the said Sir Lionel Leonard Cohen shall determine; and to allocate to the two said divisions such of the matters submitted for your consideration as you may deem expedient; and We do further authorize you, if you think fit in any matter before you, to call in the aid of one or more assessors specially qualified, and investigate and determine the matter wholly or partially with such aid; and to determine the remuneration, if any, to be paid to an assessor:

And We do by these Presents give and grant unto you full power to call before you such persons as you shall judge likely to afford you any information upon the subject of this Our Commission: to call for information in writing; and also to call for, have access to, and examine all such books, documents, registers and records as may afford you the fullest information on the subject, and to inquire of and concerning the premises by all other lawful ways and means whatsoever:

And We do by these Presents authorize and empower you to visit and personally inspect such places as you may deem it expedient so to inspect for the more effectual carrying out of the purposes aforesaid:

And We do by these Presents will and ordain that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment:

Provided that, should you deem it expedient, the powers and privileges hereinbefore conferred on

you shall belong to, and may be exercised by, any one or more of you:

And it is hereby provided and declared that the provisions of the Arbitration Act, 1889, or any statutory re-enactment thereof shall not have any application to proceedings under these Presents:

And We do further ordain that you have liberty to report your proceedings under this Our Commission from time to time, if you shall judge it expedient so to do:

And Our will and pleasure is that you do, from time to time, report to the Lords Commissioners of Our Treasury, under hand and seal, your opinions upon the matters herein submitted for your consideration.

Given at Our Court at Saint James's the fifteenth day of May, 1946; In the Tenth Year of Our Reign.

By His Majesty's Command,
J. Chuter Ede.

TOWN AND COUNTRY PLANNING ACT, 1944.

WEST HAM (NORTH WEST NO. 1A AREA) COMPULSORY PURCHASE ORDER.

NOTICE is hereby given that the Council of the County Borough of West Ham, in pursuance of their powers under Section 2 of the Town and Country Planning Act, 1944, on the Third day of April, 1946, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorizing them to purchase compulsorily for the purposes of the redevelopment thereof as an area of extensive war damage the lands described in the Schedule hereto, and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto.

A copy of the Order, and of the map referred to therein, have been deposited at the Offices of the Authority at the Town Hall, West Ham, E.15, and will be open for inspection, without payment of fee, at all reasonable hours.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said lands.

Where the confirmed Order contains such a Direction, the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would, after diligent inquiry, be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Council of the County Borough of West Ham may, at any time after the expiration of one month from the date of first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such Declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers and on persons entitled to claim compensation, who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein; and

(ii) that the lands will vest in the Council at the expiration of the period specified in such Declaration.

Any objection to the Order must be made in writing, stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the 21st June, 1946.

The Minister is not, in all cases required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Council of the County

Borough of West Ham at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the local planning or highway authority to identify the extent and boundaries of the land.

CITY OF EXETER.

TOWN AND COUNTRY PLANNING ACT, 1944.

CITY OF EXETER (CENTRAL AREAS RECONSTRUCTION SCHEME) COMPULSORY PURCHASE ORDER NO. 2, 1946.

NOTICE is hereby given that the Mayor Aldermen and Citizens of the City and County of the City of Exeter in pursuance of their powers under Section 10 (2) (a) of the Town and Country Planning Act, 1944, on the 17th day of April, 1946, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily the lands described in the Schedule hereto being lands in, or in the neighbourhood of, a part of the said City of Exeter being an area of extensive war damage which, for the purposes of the laying out afresh and redevelopment of that area, ought in the opinion of the Minister of Town and Country Planning to be dealt with together with land in that area as to which an Order under Section 1 of the Town and Country Planning Act, 1944, has come into operation

and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto as respects the lands edged and coloured blue on the two maps annexed to the Order.

A copy of the Order, and of the maps referred to therein, have been deposited at the City Surveyor's Office (Replanning Department) at 15A, The Close, Exeter, and will be open for inspection without payment of fee between the hours of 10 a.m. and 12 noon and of 3 p.m. and 5 p.m. on Mondays to Fridays (inclusive) and between the hours of 10 a.m. and 12 noon on Saturdays.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said lands edged and coloured blue on the maps referred to above.

Where the confirmed Order contains such a Direction the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Mayor Aldermen and Citizens of the City and County of the City of Exeter may, at any time after the expiration of seven days from the date of the first publication of the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i), of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Council at the expiration of the period specified in such Declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the 14th day of June, 1946.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Town Clerk, 10, Southernhay West, Exeter, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map may be seen.

Such request should be accompanied by a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the extent and boundaries of the land to be identified. The expression "owner" for this purpose includes any freeholder, leaseholder, tenant or mortgagee.

Forms on which such a statement should be made can be obtained free of charge from the Town Clerk's Office, 10, Southernhay West, Exeter, or from the City Surveyor's Office (Replanning Department) at 15A, The Close, Exeter. Separate forms should be used for each property.
