In considering whether any machinery is or is likely to remain adequate for regulating the remuneration and conditions of employment of any workers the Commission is required by Section 4 of the Act to consider not only what matters are capable of being dealt with by that machinery but also to what extent those matters are covered by agreements or awards arrived at or given thereunder and to what extent the practice is or is likely to be in accordance with those agreements or awards.

Under Section 4 of the Act it is the duty of the Commission to inquire into and report to the Minister on the said application, and to consider any other question or matter which in its opinion is relevant thereto, and in particular to consider whether there are any other workers (being workers who, in its opinion, are engaged in work which is complementary, subsidiary or closely allied to the work performed by the workers specified in the Schedule hereto or any of them) whose position should be dealt with together with that of the workers, or some of the workers specified in the Schedule hereto;

The Commission having formed the opinion that workers (other than craftsmen and productive workers) employed in Scotland in the retail drapery, outfitting and footwear trades as defined in the Schedule to this Notice are engaged in work which is closely allied to the work performed by the workers engaged in those trades in England and Wales;

Hereby gives notice, pursuant to Section 9 of the Act, that it proposes to consider whether the said workers in Scotland are workers whose position should be dealt with together with that of the workers specified in the Schedule;

The Commission will consider representations in respect of the foregoing matter made to it in writing at the Offices of the Commission at 1, Bryanston Square, London, W.1, on or before the 20th day of July, 1946.

J. M. Vincent Smith,
Secretary to the Commission

TOWN AND COUNTRY PLANNING ACT, 1944.

CITY AND COUNTY OF BRISTOL (CENTRAL AREA)
COMPULSORY PURCHASE ORDER (No. 1), 1946.

NOTICE is hereby given that the Council of the City and County of Bristol in pursuance of their powers under Section 2 (1) (a) of the Town and Country Planning Act, 1944, on the sixteenth day of April, 1946, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purpose of dealing satisfactorily with extensive war damage the lands described in the Schedule hereto, and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto.

A copy of the Order, and of the map referred to therein, have been deposited at the Town Clerk's Office, Council House, Corn Street, Bristol 1, and will be open for inspection without payment of fee between the hours of 9 a.m. and 5 p.m. Mondays to Fridays and 9 a.m. to 12 noon on Saturdays.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said land.

Where the confirmed Order contains such a Direction the following provisions will operate:—

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a notice to treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the laid lands; or such of the above persons as would after diligent enquiry be known to the Council, and the date on which such notice to treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such notice to treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Council of the City and County of Bristol may, at any time after the expiration of two months from the date of first publication of

the notice of confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Council at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the third day of July, 1946.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the Council of the City and County of Bristol at the address below, a request in writing to serve him with a notice that the Order had been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the local planning or highway authority to identify the extent and boundaries of the land.
