Civil Service Commission, 26th November, 1946.

The Civil Service Commissioners hereby give notice that the following regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE COMPETITIVE SELECTION OF WIRELESS TELEGRAPHIST (MALE) IN THE POST OFFICE WIRELESS SERVICE.

1. Candidates must have been born on or after 1st January, 1915, and have attained the age of 21 on the 1st January of the year in which the competition is held.

2. Every candidate must be either

(a) a natural-born British subject

(i) having at least one parent who is or was at the time of death a British subject; or

(ii) of any other parentage, provided that he has resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of his appointment; or

(b) a naturalised British subject who has resided in His Majesty's dominions and/or been employed

elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of his appointment; or

(c) a British subject who, although not fulfilling the requirements of sub-paragraph (b), satisfies the Commissioners that he is so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education, for Northern Ireland) has been notified to the Commissioners.

4. The Postmaster General will take steps such as he thinks most appropriate to make known the existence of any vacancy or vacancies which he desires to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. Applications shall be addressed in the first instance to the Inspector of Wireless Telegraphy, Telecommunications Department, General Post Office, London, E.C.1, and shall be made on a form to be obtained from that office. The candidates' credentials will be examined at the General Post Office and the names of those candidates who appear to have the requisite qualifications and to be best fitted for appointment will be submitted to the Civil Service Commissioners. The Commissioners, if dissatisfied with the number or quality of candidates for any vacancy, may require further search to be made for qualified candidates.

6. Candidates must possess the Postmaster General's First Class Certificate of Proficiency in Radiotelegraphy and, unless already employed in the Post Office, must have had experience as Wireless Operator on board ship.

7. Candidates who are recommended by the General Post Office and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be submitted by the authorities of the General Post Office to a test in Morse. Those who pass this test will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board will be constituted by the Civil Service Commissioners in consultation with the authorities of the General Post Office, who will be represented on the Board.

8. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Postmaster General. If they do not already hold the elementary certificates in French and German of the Royal Society of Arts or certificates of equivalent or higher standard, they will be required to pass tests conducted by the General Post Office in these languages by the end of the probationary period.

9. Candidates selected for appointment will be required to pay a fee of 5s.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in industry or business, in the Forces, or otherwise.
