

a notice, namely, all persons interested in the said lands; all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would, after diligent enquiry, be known to the Council, and the date on which such Notice to Treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the lands are situated. Such Notice to Treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest;

(b) The Council of the County Borough of West Ham may, at any time after the expiration of one month from the date of first publication of the Notice of confirmation of the Order, and subject to the said tenancies, execute a Declaration:

(i) Of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such Declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers, and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) That the lands will vest in the Council at the expiration of the period specified in such Declaration.

Any objection to the Order must be made in writing, stating the grounds of the objection, and addressed to the Minister of Town and Country Planning, 32, St. James's Square, London, S.W.1, before the 13th day of January, 1947.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement, in writing, of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates, may send to the Council of the County Borough of West Ham at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address, and the interest in the land of the owner or occupier, and particulars sufficient to enable the Local Planning or Highway Authority to identify the extent and boundaries of the land.
