*Civil Service Commission.*

28th February, 1947.

The following regulations are published by the Civil Service Commissioners with the approval of the Lords Commissioners of His Majesty's Treasury viz.:—

## TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANTS IN THE NATIONAL LIBRARY OF SCOTLAND.

1. Competitions under these Regulations are open both to men and women.

2. Candidates must be at least 22 and under 33 years of age on 1st August, 1947.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

5. The Trustees of the National Library of Scotland will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

6. Application shall be addressed in the first instance to the Librarian of the National Library of Scotland and shall be made on the appropriate form. After the last day for application has been reached the authorities of the Department shall scrutinize all the applications received and recommend to the Commissioners such candidates as appear to them qualified for the duties of the posts in question. They shall then forward to the Civil Service Commissioners all the application forms received, who may then, if dissatisfied with the candidates presenting themselves, take such steps in consultation with the authorities of the Library, as they may think fit to obtain other candidates. The list of qualified candidates shall then be settled by agreement between the Civil Service Commissioners and the authorities of the National Library of Scotland.

7. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. In general, candidates should possess a University 1st or 2nd Class Honours Degree in English, Classics, History or Modern Languages. The Commissioners may, if in doubt, submit any or all of the candidates to a qualifying examination to test such education, or any part of it.

8. Candidates who are recommended by the authorities of the Department and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be constituted by the authorities of the Department in consultation with the Commissioners who shall be represented on the Selection Board. The Selection Board will take into consideration the candidate's record of experience and education, any recommendation that they may receive from persons named by any candidates as having direct knowledge of their work in the past, and the personal qualities of the candidate as shown at the interview; and on their estimation of all the above evidence they will frame their decisions.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their application forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, in the Forces, or otherwise.

10. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of 5s. A selected candidate will be required to pay a fee of 10s. towards which the fee paid at the qualifying examination (if any) will count, before the issue of a certificate of qualification for appointment.
