*Civil Service Commission,
18th March, 1947.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE POSTS OF REGIONAL WIRELESS ENGINEER, CHIEF WIRELESS TECHNICIAN, SENIOR WIRELESS TECHNICIAN AND WIRELESS TECHNICIAN IN THE REGIONAL WIRELESS SERVICE UNDER THE HOME OFFICE.

1. Men only are eligible for this Competition.

2. Every candidate must have been born on or after the 2nd August, 1895, and have attained the age of 21 on the 1st January of the year in which he competes.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) if naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must possess the following qualifications:—

(i) *Regional Wireless Engineer.*

A University degree or other examination certificate recognised by the Institution of Civil Engineers or the Institution of Electrical Engineers as granting exemption from Sections A and B of their examination for Associate Membership, with in addition evidence showing that the examination subjects taken included those appropriate to the design and maintenance of Very High Frequency Wireless; or

Alternative evidence of high professional attainments may be accepted.

Candidates should have held in addition some executive post in a wireless station, workshop, laboratory, or similar establishment, and be capable of carrying out the administrative duties of a wireless maintenance depot, including, for example, the supervision of staff, maintenance work, stores control and accountancy.

(ii) *Chief Wireless Technician.*

Should possess a sound general education of at least secondary school standard and a sound theoretical and practical knowledge of wireless engineering in general, and in particular of the design, construction, installation, and maintenance of Very High Frequency transmitters, receivers, aerial systems, and control equipment; they should have held a senior technical or engineering position in a wireless station, workshop, laboratory, or similar establishment. Candidates should also have experience of the control of staff and a knowledge of stores control, accountancy, and technical records. The possession of City and Guilds Certificate in Radio-Communications Grade II will be an added qualification.

(iii) *Senior Wireless Technician.*

Candidates should have had experience of supervising and directing general wireless installation and repair work and of the keeping of technical records and job cards. They must possess a sound theoretical and practical knowledge of wireless engineering with at least three years' experience in the construction and maintenance of wireless equipment including Very High Frequency communication apparatus. Candidates should also possess a knowledge of the use of a lathe and other technical equipment. The possession of the City and Guilds Certificate in Radio-Communications Grade I will be an added qualification.

(iv) *Wireless Technician.*

Candidates must possess a sound theoretical and practical knowledge of wireless engineering with at least three years' experience in the construction and maintenance of wireless equipment, including experience with Very High Frequency apparatus. Candidates must also be able to use technical equipment and simple machine tools.

5. All members of the Regional Wireless Service staff will be expected to be able to drive a car.

6. Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

The Civil Service Commissioners reserve the right to give such preference to disabled persons or to particular classes of disabled persons as may be necessary in order to give effect to any general policy

regarding the employment of such persons which may be adopted by His Majesty's Government, provided that the disability is not of a nature to interfere with the discharge of the duties required.

7. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete under these Regulations before the completion of the course, unless he has previously obtained permission to do so from the authority which administers the grant.

8. Application for admission to the Competition must be made to the Home Office on the appropriate form within the time and in the manner of which notice is given by that Department.

9. Candidates who, from the information given on their application forms, are recommended by the Home Office and are accepted by the Civil Service Commissioners as having the best qualifications, will be summoned to an interview before a Selection Board who will recommend to the Commissioners for appointment to each grade the candidates who appear to them to be the most suitable. The Selection Board may also recommend that a certain number of candidates shall be classed as reserves to be considered by the Commissioners for appointment in conjunction with the results of later interviews. The Selection Board will then take into consideration a candidate's record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimate of the above evidence they will frame their recommendations. The decision of the Commissioners shall be final.

10. Persons upon whose training for the occupation of teacher, public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

11. Every successful candidate will be required to pay the appropriate fee before the issue of a certificate of qualification for appointment, viz.:-

	s.	d.
Regional Wireless Engineer	15	0
Chief Wireless Technician	10	0
Senior Wireless Technician	7	6
Wireless Technician	5	0

12. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their Application Forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University, or otherwise.

LAND DRAINAGE ACT, 1930.

River Hull Catchment Area.

The Minister of Agriculture and Fisheries hereby gives notice that the River Hull Catchment Board have made application under Sub-section (3) of Section 5 of the Land Drainage Act, 1930, that the statutory map of the Catchment Area be varied so far as relates to the extent of the main river by the addition to the said main river of so much of the watercourse called Brigham Beck or Driffield Canal lying between its junction with the Frodingham Beck and Brigham Swing Bridge as is embanked above the abutting land.

A plan on the 6 inch scale on which the proposed addition is shown by a line in red colour may be inspected, together with a copy of the statutory map of the Catchment Area, at the Office of the Clerk of the Catchment Board, 37, North Bar Within, Beverley, Yorks, or at the offices of the Ministry.

Any objection to the proposed variation of the statutory map shall be made in writing and sent by post, addressed to the Secretary, Ministry of Agriculture and Fisheries, at the address mentioned below, within thirty-one days from the date of this notice.
