Hon. the Lord Vilcount Harron, their Governor, was prefented to Her Majeity by Sir Estimate Julius, Bayliff of the faid Illand, introduced by the Rt. Hon. the Earl of Manifester, Her Majetties Principal Secretary of State.

## All which Addresses Her Majesty received very graciously.

The Address from the Borough of Enflowe in the County of Cornwall, interted in the left Gazer, was preferred to Her Majelly by the Rt. Rev. to Lord Bifthep of Exerce, and by Sir Herry Seymon Bar, and George Corenny Eig; their Representatives in Parliament.

Venice, April 15. NS. Letters from Prince Engene's head Quarters at Lucana give an account, that the Cernars have frongly fortified their Pofts along the Oglio, and particularly Uflime, over against which place they have cast up some Intrenchments to secure their passage over the River; a frong Body of their Forces have Intrenched themselves along the River Lerza, to Forces have Intrenched themselves along the River Lenza, to cover Berfello and the Modeneze, and they have built several Fortistations at Borgoforte, where they have twenty Pieces of Cannon mounted, and 'tis said Prince Engene intends to continue in these Posts till the coming up of the Succours from Germany; from whence the Germans have received a Supply of 1000 Horles for the use of their Cavalry. A great part of the French Army is Encamped in the Country of Pircenza along the River P: Monsteur Ruel, with a Body of their Forces, has possible himself of Monticess. and Monsteur Barbesteurs, with an Encamped to Monsteellis, and Monsteur Barbesteurs, with an experience with a supplementation of Monticess. feffed him e); of Monriceii, and Monsteur Barbesteux, with another small Detachment, had passed over the Po into the Gremo. nele, and was marching towards Caneto; Monsieur Pracon-tal, with the Body of Forces under his Command continues

at Caneto to maintain that Post, where they have a great Magazine of Provisions and Ammunition. Several French Frigats cruize in the Agriculta Guiph.

Venna, April 19. The King of the Romans is very well recovered of his late Iness, and will go from hence in the beginning of the next Month, in order to take upon him the Command of the Imperial Porces on the Rhine. Count Merci, who was wounded in the Action at Cremona, is come hither, and 'tis faid, he is to have a Commission to raise a Regiment of Horse. faid, he is to have a Commission to raise a Regiment of Horse. The Forces on both sides continued in their Quarters, and were like to do so till they could find Forage in the Field. Letters from Trieste give an Account, that several French Frigars are crusting in the Astriatick Gulph, to hinder the sending over of Provisions from thence to the Imperial Army in Iraly; and that one of these Frigars having landed an Officer and some Soldiers near Segna to plunder the Country, the Inhabitants got together, killed the said Officer, and several of his Men, and took the rest

Priloners.

Francfort, April 26. The Imperial Regiments of Horse which were drawn together near Philipsburgh, with the Forces of the Bishop of Wurrsbourg, and the Palatine Forces which lay along the Neckar, have passed the Rhine at Spiers, and are marced towards Germersheim, and the Elector Palatin'es Forces, with the other Troops which lay near Spiers and Newstad, are also moving the same way; And we have received an Account, That all these Forces, which make together about 25000 Men, are engaged of the same way and the same way to the same of the same way. are encamped near Croonweissenburgh, under the Command of Major General Thungen, who has his Head Quarters at Langenkandel; fome Imperial Foot are marched to the Town of genkander; some imperial root are married to the Letter cutting off the Communication between Landau and the Upper Alface; and a Body of Imperial Forces are posted about Landau, to hinder the French from sending any Succours thither; and a severe Order is published, forbidding the Country People to carry any Provisions to that Place. The Forces of the Circle of the Upper-Rhine are all marching to their Rendezvous near Wisbaden, and as foon as they are drawn together, will pass the Rhine and join the Imperial Army. We hear that the French Forces are drawing together near the Saar. Part of Marthal Cacinar's Equipage is arrived at Strasburgh, and he is thorsty expected there. They write from Switzerland, that the Centom have
