Civil Service Commission

30th December, 1947

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. —

TEMPORARY (RECONSTRUCTION) REGULATIONS FOR THE COMPETITIVE SELECTION OF ASSISTANT KEEPERS (CLASS II), SCIENCE MUSEUM, MINISTRY OF EDUCATION.

Qualifications.

1. The Competition will be open to both men and women.

2. Candidates must have attained the age of 22 on 1st April of the year in which the competition is held and must as a rule have been born on or after 2nd April, 1914, but the Ministry will be prepared to consider the appointment of exceptionally well qualified candidates somewhat above this age limit. In reckoning age for competition the following allowances will in any case be made —

(a) Any candidate who served in the Royal Navy, the Army or the Royal Air Force before 3rd September, 1939, will be eligible if born on or after a date which precedes the 2nd April, 1914, by a period equal to the length of such service.

(b) Candidates who have served in any established civil situation to which they were admitted with a certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

3. Candidates must be British subjects. They must also satisfy one of the following conditions —

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at the time of death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) and (b) of this paragraph they must satisfy the Civil Service Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. —(a) Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

(b) Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

(c) No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

5. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post.

In general, candidates should either (a) possess a university honours degree or equivalent qualification, or (b) have spent at least one academic year in whole-time study at a university and be able to produce evidence satisfactory to the Civil Service Commissioners that they might reasonably have expected to or might be expected to obtain an honours degree or equivalent qualification. In special cases the Commissioners may waive this requirement, if satisfied on other grounds as to the candidates' educational fitness. The Commissioners may submit any or all of the candidates to a qualifying examination to test such education, or any part of it. Post-graduate experience will be a desirable qualification.

6. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Application.

7. The Ministry of Education will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which they desire to fill on any one occasion, and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

8. Applications shall be addressed in the first instance to the Director and Secretary of the Science Museum, and shall be made on the appropriate form. He will examine the candidates' credentials and take such other steps as seem good to him to ascertain their qualifications, and will submit the names of such candidates as appear to have the best qualifications for any existing or prospective vacancy to the Ministry of Education for approval of their candidature. The papers of candidates thus approved will be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality for any vacancy, may require further search to be made for qualified candidates.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidates' work, whether at school, at the university, in the Forces or otherwise.

Competition.

10. Candidates who are recommended by the Ministry of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board. The Selection Board shall be nominated by the Commissioners in consultation with the Ministry of Education, who shall be represented on the Selection Board. The Selection Board will take into consideration the candidates' records of experience and education and any recommendations that they may receive from persons named by candidates as having knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview, and will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, having regard to the requirements of paragraph 5 of the Regulations and to the number and ability of the competitors. The decision will be final.

11. Of the candidates next in order of merit to those declared successful in any competition a certain number at the discretion of the Commissioners may be classified as reserve candidates and considered for appointment in conjunction with the results of a later competition.

Fees

12. If a qualifying examination is held, each candidate subjected thereto will be required to pay a fee of five shillings. A successful candidate will be required to pay a fee of £1, towards which the fee paid at the qualifying examination (if any) will count, before the issue of the certificate of qualification for appointment.

of this notice, make an application for the purpose to the High Court, and if any such application is duly made, the Court, if satisfied that the Order is not within the powers of the Act, or that the interests of the applicant have been substantially prejudiced by any requirements of the Act not having been complied with, may quash the Order either generally or in so far as it affects the applicant.

CITY OF PLYMOUTH.

TOWN AND COUNTRY PLANNING ACT, 1944.

City of Plymouth (City Centre) Compulsory Purchase Order No. 4, 1947.

NOTICE is hereby given that the Plymouth City Council, in pursuance of their powers under Section 2 (1) of the Town and Country Planning Act, 1944, on the eighteenth day of December, 1947, made an Order, which has been submitted for confirmation by the Minister of Town and Country Planning, authorising them to purchase compulsorily for the purpose of dealing satisfactorily with extensive war damage the lands described in the Schedule hereto and directing that the provisions of the Act relating to expedited completion of purchase shall apply thereto.

A copy of the Order and of the map referred to therein have been deposited at the Town Clerk's Office, Pounds House, Plymouth, and at the City Engineer's Office, the Guildhall, Plymouth, and will be open for inspection without payment of fee during usual office hours.

Where the Minister confirms the Order, he may, if he is satisfied that it is requisite so to do, confirm the Order with a Direction that the provisions of the Act relating to expedited completion of purchase shall apply to the said land.

Where the confirmed Order contains such a Direction, the following provisions will operate —

(a) The Lands Clauses Acts and the Acquisition of Land (Assessment of Compensation) Act, 1919, as amended and applied by the Town and Country Planning Act, 1944, will have effect as if a Notice to Treat such as is mentioned in Section 18 of the Lands Clauses Consolidation Act, 1845, had been served on every person on whom the Council could, under the terms of that Section, have served such a notice, namely, all persons interested in the said lands, all persons enabled by the Lands Clauses Acts to sell and convey or release any of the said lands; or such of the above persons as would, after diligent enquiry be known to the Council, and the date on which such Notice to Treat will be deemed to have been served will be the date on which the Order is registered in the Register of Local Land Charges kept in respect of the area in which the

lands are situated. Such Notice to Treat will not be deemed to have been served on any person in respect of an interest which is a tenancy for a year, or from year to year, or a less interest.

(b) The Plymouth City Council may, at any time after the expiration of fourteen days from the date of first publication of the Notice of Confirmation of the Order and subject to the said tenancies, execute a Declaration:

(i) of their intention to enter on the whole or part of the lands to which the Order relates and take possession thereof at the expiration of a period specified in such declaration, not being less than fourteen days from the completion of the service of a notice to that effect on occupiers and on persons entitled to claim compensation who have given information to the Council of the nature of the land in respect of which they are entitled to claim compensation and of their interest therein, and

(ii) that the lands will vest in the Council at the expiration of the period specified in such declaration.

Any objection to the Order must be made in writing stating the grounds of the objection and addressed to the Minister of Town and Country Planning, 32, St James's Square, London, S W. 1, before the 20th day of January, 1948.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to the undersigned at the address below a request in writing to serve him with a notice that the Order has been confirmed, and naming a place where a copy of the Order and of the map and of any descriptive matter annexed thereto may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the local planning or highway authority to identify the extent and boundaries of the land.
