The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H M Treasury, viz:—

SUPPLEMENTARY RECONSTRUCTION REGULATIONS FOR FILLING VACANCIES IN THE ADMINISTRATIVE CLASS OF THE HOME CIVIL SERVICE

The Civil Service Commissioners with the approval of the Treasury have made the following Regulations

PART I.

CANDIDATE'S QUALIFICATIONS

1 (1) Both men and women may compete under these Regulations, but women will not ordinarily be eligible for appointment to posts in the Defence Departments

(2) No person may compete under these Regulations who on the 16th August, 1948, has already competed, or has been admitted to compete, for the Reconstruction Competition for the Administrative Class of the Home Civil Service with the following exceptions

(a) persons who, having failed at their first attempt or having withdrawn their candidature or declined appointment after success under Reconstruction Regulations, did not apply for a second attempt within the time prescribed by the Commissioners

(b) persons who applied to compete under Reconstruction Regulations (whether at a first or second attempt) but withdrew before taking the examination or any part thereof

(3) No person may compete more than once under these Regulations, or more than twice in all for the Administrative Class of the Home Civil Service under these Regulations, or under Reconstruction or Normal Regulations, taken together

2 (1) Every candidate must have been born on or after the 2nd day of August, 1915, and have attained the age of 21 on the first day of January, 1948

Provided that the following allowances shall be made in regard to certain classes of candidates who were born before the 2nd day of August, 1915 —

(a) any candidate who served in the Royal Navy, the Army or the Royal Air Force before the 3rd day of September, 1939, will be eligible if born on or after a date which precedes the 2nd day of August, 1915, by a period equal to the length of such service

(b) any candidate who has served in any established civil situation to which he or she was admitted with a Certificate of the Commissioners on or before attaining the age of 24 will be eligible if born on or after a date which precedes the 2nd day of August, 1915, by a period equal to the length of such service or a period of two years, whichever is the shorter

(2) Candidates shall be divided into two Sections, namely, Section I for candidates born on or after the 2nd day of August, 1923, and Section II for candidates born on or before the 1st day of August, 1923 and on or after the 2nd day of August, 1915

3 Candidates must be British subjects. They must also satisfy one of the following conditions —

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject, or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five out of the last eight years preceding the date of their appointment

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour

4 —(1) Every candidate must either

(a) have obtained a university degree with first or second class honours or equivalent qualification, or

(b) have spent at least one academic year in whole-time study at a university and produce evidence satisfactory to the Commissioners that he or she might reasonably have expected or may reasonably expect to obtain a degree with first or second class honours or equivalent qualification; provided that the Commissioners may at their discretion admit under sub-para (a) a candidate who having completed his or her university course has failed to reach second class honours standard, if

(i) they are satisfied that the circumstances were of exceptional difficulty for reasons peculiar to the individual candidate, and

(ii) the appropriate authority of the candidate's University or College certifies that the candidate appears to be exceptionally well fitted for appointment to the Administrative Class

(2) If owing to circumstances beyond the applicant's control, the evidence required under this Regulation is indecisive, the Commissioners may nevertheless decide at their discretion to accept him, or her as a candidate as the case may be.

(3) For the purpose of this regulation

(a) "academic year" means

(i) in the case of universities where courses begin each term, any period of three consecutive terms, and

(ii) in the case of other universities, any period of three consecutive terms ending with the summer term,

(b) "university" means any institution of university rank recognised by the Commissioners for the purpose

5 Every candidate must satisfy the Commissioners as to his or her health and character

6 No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant

PART II

APPLICATION AND EXAMINATION

7.—(1) Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners

(2) Every candidate shall pay an application fee of £1 when the Application Form is sent in

8 —(1) Those candidates who on the Application Forms and the resulting enquiries are found to be prima facie eligible will undergo a qualifying written examination consisting of papers in English and Arithmetic, a General Paper, and a test of General Intelligence

(2) If a candidate who has qualified in the written examination either in the Reconstruction Competition or in the Normal Open Competition 1948, by Method II, but has not been successful in the interview, applies to compete under these Regulations, he or she need not undergo the written examination

9 —(1) Candidates who reach the qualifying standard in the written examination will be summoned to undergo a series of tests of personal qualities at a residential centre and to appear before an Interviewing Board which will award each candidate a mark for his or her intelligence, personal qualities and record, provided that (a) the Commissioners may hold the tests of personal qualities and the interviews at or about the same time as the written examination and may provisionally admit all the candidates to the

tests and the interview, reserving the right to disqualify any who fail to reach the qualifying standard in the written examination, (b) the Commissioners may at their discretion summon those candidates who are placed low on the qualifying list to a preliminary interview before one or more Examiners, and may on the latter's report decide which of these candidates, if any, shall be summoned to further tests under (a), and which shall be declared unsuccessful forthwith

(2) The order of merit of the candidates in each Section shall be determined by the marks awarded by the Interviewing Board. In the event of a tie the Commissioners' decision shall be final

PART III

APPOINTMENT

10 The number of vacancies to be filled by candidates in each Section shall be determined by the Commissioners

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H M Treasury, viz:—

SUPPLEMENTARY RECONSTRUCTION REGULATIONS FOR FILLING VACANCIES IN THE SENIOR BRANCH OF THE FOREIGN SERVICE

The Civil Service Commissioners with the approval of the Treasury and of the Secretary of State for Foreign Affairs have made the following Regulations

PART I

CANDIDATE'S QUALIFICATIONS

1—(1) Both men and women may compete under these Regulations.

(2) No person may compete under these Regulations who on the 16th August, 1948, has already competed, or has been admitted to compete, for the Reconstruction Competition for the Senior Branch of the Foreign Service with the following exceptions

(a) persons who, having failed at their first attempt or having withdrawn their candidature or declined appointment after success under Reconstruction Regulations, did not apply for a second attempt within the time prescribed by the Commissioners

(b) persons who applied to compete under Reconstruction Regulations (whether at a first or second attempt) but withdrew before taking the examination or any part thereof

(3) No person may compete more than once under these Regulations, or more than twice in all for the Senior Branch of the Foreign Service under these Regulations, or under Reconstruction or Normal Regulations, taken together

2—(1) Every candidate must have been born on or after the second day of August, 1915, and have attained the age of 21 on the first day of January, 1948

(2) Candidates shall be divided into two Sections, namely Section I for candidates born on or after the 2nd day of August, 1922 and Section II for candidates born on or before the 1st day of August, 1922 and on or after 2nd day of August, 1915

3 Every candidate must

(a) be a natural born British subject, and

(b) have been born within the United Kingdom or within one of the self-governing Dominions of parents both of whom were also born within the United Kingdom or within one of the self-governing Dominions,

except that when the circumstances are such as to justify departure from the said requirements a candidate may be allowed to compete by special permission of the Secretary of State for Foreign Affairs provided that he fulfils the conditions in respect of nationality prescribed for candidates for admission to His Majesty's Civil Establishments in general

4—(1) Every candidate must either

(a) have obtained a degree with at least second class honours or equivalent qualification at an institution of university rank recognized by the Commissioners for the purpose, or

(b) (i) have had whole-time continuous and systematic education until at least the age of 18, or, failing this, satisfy the Commissioners that nevertheless his secondary education has been up to the normal standard of persons who subsequently obtain a degree with at least second class honours, and

(ii) satisfy the Commissioners that if he had completed a university course he might reasonably have expected to obtain a degree with at least second class honours.

Provided that the Commissioners may at their discretion accept as eligible under subparagraph (a) a candidate who having completed his university course, has failed to reach second class honours standard, if

(i) they are satisfied that the circumstances were of exceptional difficulty for reasons peculiar to the individual candidate, and

(ii) the appropriate authority of the candidate's University or College certifies that the candidate appears to be exceptionally well fitted for appointment to the Senior Branch of the Foreign Service

(2) If, owing to circumstances beyond the candidate's control, the evidence required under this Regulation is indecisive, the Commissioners may nevertheless decide at their discretion to accept him as eligible

(3) Every candidate must produce evidence of his ability to learn foreign languages

(4) (a) If a candidate is unable to satisfy the Commissioners that he is eligible under sub-Clause (1) above, but it appears to them that by reason of his subsequent education or career he is well fitted for consideration for appointment in the Senior Branch of the Foreign Service, they may at their discretion admit him to the examination

(b) The Commissioners may, if they think fit, summon such a candidate to a personal interview before deciding whether or not to exercise their discretion in his favour

5. Every candidate must satisfy the Commissioners as to his health and character

6—(1) Every woman candidate must be unmarried or a widow

(2) Women will normally be required to resign their appointments on marriage, but in exceptional cases they may be retained, with the permission of the Secretary of State for Foreign Affairs.

7 No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he has previously obtained permission to do so from the authority which administers the grant.

PART II

APPLICATION AND EXAMINATION.

8—(1) Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

(2) Every candidate shall pay an application fee of £1 when the Application Form is sent in.

9—(1) Those candidates who on their Application Forms and the resulting enquiries are found to be prima facie eligible will undergo a qualifying written examination, consisting of papers in English and Arithmetic, a General paper, and a test of General Intelligence.

(2) There will also be a qualifying oral test in a foreign language approved by the Commissioners; but the Commissioners may dispense with this in the case of a candidate who satisfies them that he possesses adequate ability to speak a modern foreign language.

(3) If a candidate who has qualified in the written examination in either the Reconstruction Competition or in the Normal Open Competition of 1948, but has not been successful in the competition, applies to compete under these Regulations, he need not undergo the written examination again. Similarly, an unsuccessful candidate who has satisfied the Commissioners in the qualifying oral test at the Reconstruction Competition whether or not he has also passed the written examination, need not undergo that test if he competes under these Regulations.

10—(1) Candidates who reach the qualifying standard in the written examination and satisfy the Commissioners of their linguistic ability will be summoned to undergo a series of tests of personal qualities at a residential centre and to appear before an Interviewing Board which will award each candidate a mark for his intelligence, personal qualities and record, provided that (a) the Commissioners may hold the tests of personal qualities and the interviews at or about the same time as the written examination and may provisionally admit all the candidates to the tests and the interview, reserving the right to disqualify any who fail to reach the qualifying standard in the written examination; (b) the Commissioners may at their discretion summon those candidates who are placed low on the qualifying list to a preliminary interview before one or more Examiners, and may on the latter's report decide which of these candidates, if any, shall be summoned to further tests under (a), and which shall be declared unsuccessful forthwith.

(2) The order of merit of the candidates in each Section shall be determined by the marks awarded by the Interviewing Board. In the event of a tie, the Commissioners' decision shall be final.

PART III

APPOINTMENT.

11 The number of vacancies to be filled by candidates in each Section shall be determined by the Commissioners. Not more than five shall be allotted to women candidates.

(a) men Service candidates shall receive not less than three-quarters, and

(b) of the vacancies allotted to women candidates, women Service candidates shall receive not less than the proportion yielded by the ratio of their applications to the total number of applications from all women candidates; provided that in either case a sufficient number of Service candidates reach the required standard.

13 For the purposes of these Regulations candidates shall be regarded as Service candidates if they have rendered whole-time Service during any period after the 25th day of May, 1939, in

(a) the Armed Forces of the Crown;

(b) the Mercantile Marine or the Merchant Navy; or

(c) any of the Women's Services, that is to say, any of the capacities mentioned in the First Schedule to the Disabled Persons (Employment) Act, 1944.

Elsewhere in the Regulations words importing the masculine gender or the male sex denote either sex unless specific exception be made in the context.

14 The list of successful candidates at each examination shall be determined by the Commissioners having regard to the intention expressed in Regulation 12 and to the number and ability of the competitors.

15 Of the candidates next in order of merit to those declared successful in any examination a certain number at the discretion of the Commissioners may be classified as reserve candidates and considered for appointment in the event of further vacancies arising.

16 (a) Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, or the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

(b) The approval of the Secretary of State is required before a successful candidate who is married takes up appointment.

17 Any attempt on the part of a candidate to enlist support for his application through Members of Parliament or other influential persons, except as referees to be named by him in his Application Form, will disqualify him for appointment.
