

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

4. (a) Candidates for appointment as Veterinary Inspector must have graduated as a Member of the Royal College of Veterinary Surgeons and have had at least one year's practical experience in some recognised branch of the veterinary profession after such graduation.

(b) Candidates for appointment as Research Officer or Assistant Veterinary Investigation Officer should normally be members of the Royal College of Veterinary Surgeons but in exceptional cases this qualification may be dispensed with in view of the special requirements of the Ministry of Agriculture and Fisheries and the special qualifications of a candidate. Preference will be given to those candidates who have had post-graduate experience in Laboratory research work or in some other recognised branch of the veterinary profession.

5. Candidates must satisfy the Commissioners as to their health and character.

The Board will recommend to the Civil Service Commissioners the candidates considered best fitted for appointment. The decision of the Commissioners will be final. The Selection Board will take into consideration the candidates' record of experience and education, any recommendations that may be obtained from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on its estimation of the above evidence the Board will frame its recommendations.

8.
