Martin an appointment as Appointed Factory Doctor under the Factories Acts, 1937 and 1948, for the District of Elstree in the County of Hertford is vacant. Latest date for receipt of applications: 30th April, 1949.

MINISTRY OF FOOD

Public Health (Imported Food) Regulations, 1937 and 1948

The Minister of Food gives notice, in pursuance of the above-named Regulations, that he hereby recognises the Official Certificate, of which particulars are given in the Schedule hereto, as showing (a) that the meat to which it relates or the meat from which the meat product to which it relates was prepared, was derived from animals inspected ante and post-mortem and passed in accordance with criteria satisfactory to the Minister; and (b) that all necessary precautions for the prevention of danger to public health were taken in the dressing or preparing and packing of the meat or meat product.

The certificate being in the form of a label, recognition will apply only if the label is securely affixed to the meat or to the package containing the meat or meat product and if the label has not in any other circumstances or on any other occasion been used as an Official Certificate.

The label hereby recognised is in mubatical for the label has not in any other circumstances or on any other occasion.

The label hereby recognised is in substitution for the label having on it the design reproduced in Part I of the Schedule to the Notice published in the London Gazette of the 15th July, 1938, which is hereby revoked.

SCHEDULE

ITALY

A label having on it a design and certificate in the form set out below, the certificate being completed by the insertion of the number, a description of the product to which it relates, the names of the consignor and consignee, the place of origin and destination of the goods, the signature of a Government Veterinary Officer, the Official Stamp and the word "INSPECTED" in Roman Capitals.
