4. *Qualification.*—Every candidate must be a fully qualified and registered medical practitioner. Particular qualifications noted below are needed for posts in the main Departments in which the present vacancies are likely to occur, but all candidates should state in their applications the nature of any medical work in which they have special qualifications or experience.

Ministry of Pensions.—Candidates should have held House appointments in general (preferably teaching) hospitals and possess wide clinical experience.

The Selection Board will take into consideration the candidate's record of experience and education, any recommendations from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.
