Civil Service Commission.

30th December, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

RECRUITMENT UNDER NORMAL REGULATIONS TO THE TECHNICAL PLANNING GRADES AND TO THE INSPECTORATE OF THE MINISTRY OF TOWN AND COUNTRY PLANNING.

1. Age.—(i) Candidates for the post of Inspector must be at least 30 years of age on 1st August, 1949. The Commissioners have not specified an upper age limit for this situation; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve

the right to give weight to this factor in considering candidates who are over 50 years of age.

(ii) Candidates for the post of Planning Assistant must be at least 28 and under 40 years of age on 1st August, 1949. But a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may deduct the period of such service from his actual age.

2. *Sex and Marriage.*—(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.*—Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural born British subjects, they must either:

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. *Qualifications.*—(1) Candidates must on the closing date for the receipt of applications have at least one of the qualifications (a) to (d) below:—

(a) *Architects:*—

Registered Architect by examination, or Registered Architect, who, since registration, has passed any professional examination in Architecture recognised by the Architects' Registration Council of the United Kingdom as qualifying for registration under the Architects' (Registration) Acts.

(b) *Civil Engineers:*—

(i) Corporate Membership of the Institution of Civil Engineers or

(ii) Have passed examinations recognised by that Institution as granting exemption from Sections A and B of their examination for Associate Membership.

(c) *Municipal and County Engineers:*—

(i) Corporate Membership of the Institution of Municipal and County Engineers or

(ii) Have passed examinations recognised by that Institution as granting exemption from their examination for Associate Membership.

(d) *Estate Surveyors and Land Officers—Corporate Membership of:*—

(i) Royal Institution of Chartered Surveyors (any Sub-Division) or

(ii) Chartered Auctioneers' and Estate Agents' Institute or

(iii) Land Agents' Society or, as an alternative to the above—

(iv) Have passed examinations qualifying for a University degree in Estate Management (B.A. Cambridge; or B.Sc. London).

(2) In addition to the possession of professional qualifications as detailed in the preceding paragraph, candidates must have practical experience in town and country planning, either in private practice or in central or local government. Preference will be given to corporate members of the Town Planning Institute.

5. *Health and Character.*—Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition.*—The Commissioners may summon to appear before a Selection Board all who are found to be prima facie eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of education and experience, any

recommendations from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. *Candidates trained as Teachers.*—Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. *Canvassing.*—Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

9. *Fee.*—Every successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.

Civil Service Commission,

30th December, 1949.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

3. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

4. *Health and Character.* Successful candidates must satisfy the Civil Service Commissioners as to their health and character.
