1. *Age.* Candidates must be at least 25 and under 35 years of age on 1st January, 1950 (i.e., they must have been born on or after 2nd January, 1915 and on or before 1st January, 1925). But

(a) a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may for this purpose deduct the period of such service from his actual age;

(b) a candidate who has served or is serving voluntarily in H.M. Forces otherwise than on a regular or short service engagement or who has performed or is performing compulsory national service under the National Service Acts, may deduct the period of such service from his actual age, up to a maximum of two years.

2. *Sex and Marriage.* (i) Both men and women may compete under these Regulations, except that women will not be eligible for appointments under the Admiralty, Air Ministry and War Office.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity

(other than those who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) if natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to appointment or competition by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air or Minister of Supply, as the case may be.

5. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

6. *Competition.* The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience as shown on their application forms are considered to be specially suitable for the posts available. The Selection Board will take into consideration the candidate's record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. *Candidates trained as Teachers.* Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. *Assignment.* The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service but the wishes of candidates will, where possible, be respected.

9. *Canvassing.* Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named in their Application Forms, will disqualify them for appointment.

10. *Fee.* A successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.

##### *Civil Service Commission.*

24th January, 1950.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

##### RECRUITMENT UNDER NORMAL REGULATIONS OF ASSISTANTS (SCIENTIFIC) IN VARIOUS GOVERNMENT DEPARTMENTS.

1. *Age.* Candidates must be at least 17½ and under 26 years of age on 1st January, 1950. But

(a) a candidate who has served or is serving on a regular (including a regular short service) engagement in H.M. Forces may deduct the period of such service from his actual age;

(b) for a limited number of vacancies, candidates born on or before 1st January, 1924, who have specialised experience may be admitted. No upper age limit is specified for such candidates; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates who are over 50 years of age.

2. *Sex and Marriage.*

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.* Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing,

ing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air, or Minister of Supply, as the case may be.

#### 4. Qualifications.

(a) Every candidate must, by the closing date for the receipt of applications, be in possession of one of the undermentioned qualifications:—

(i) A School Certificate with credit in mathematics or a science subject obtained by passing one of the following examinations:—

The School Certificate Examination of the Oxford and Cambridge Schools Examination Board.

The School Certificate Examination of the Oxford Delegacy for Local Examinations.

The School Certificate Examination of the Cambridge Local Examinations Syndicate.

The School Certificate Examination of the University of Bristol.

The School Certificate Examination of the University of Durham.

The General School Examination of the University of London.

The School Certificate Examination of the Northern Universities Joint Matriculation Board.

The School Certificate Examination of the Central Welsh Board.

In place of a School Certificate a candidate may produce evidence of having passed the Matriculation Examination of London University or any other examination which in the opinion of the Civil Service Commissioners is of equivalent or higher standard.

or (ii) The Senior Leaving Certificate of the Scottish Education Department which includes a pass on at least the lower grade in the special subject of mathematics or science.

or (iii) A statement from the Scottish Education Department or the Ministry of Education for Northern Ireland showing that the candidate has attained a standard equivalent to that represented by the award of the School Certificate of the Oxford and Cambridge Schools Examination Board, including the special qualification in mathematics or a science subject.

or (iv) The Ordinary National Certificate. The Commissioners may admit as eligible under this paragraph candidates who have satisfactorily completed the second year (s.2) of the Senior course.

or (v) An Intermediate Grouped Course Certificate of the City and Guilds of London Institute in a relevant subject, awarded after a three-year course.

or (vi) A pass in either the Forces Preliminary Examination with a pass in either mathematics or natural science, or the Royal Air Force Higher Education Test, Part I, with a pass in mathematics, or mechanics or the properties of matter,

or the Admiralty Higher Educational Test, Second Class, with a pass in mathematics or mechanics or magnetism and electricity,

but (vii) The Commissioners may also accept as eligible, candidates who, owing to circumstances beyond their control, are unable to comply with any of the requirements above, but who produce a certificate from a responsible person under whom they have studied or worked, that they have reached School Certificate credit standard in mathematics or a science subject.

(b) Particular additional requirements are attached to vacancies in certain establishments. For example, in some Departments there are posts for which older ex-service men with long experience in technical branches of the Forces are required. For vacancies on sea fisheries work, candidates must be fit to undertake duties at sea;

and in the Meteorological Office fitness to undertake regular terms of night duty is required. The great variety of work undertaken by Assistants does not, however, allow detailed specifications of these particular requirements in Regulations. Candidates may, therefore, be questioned further on their training, experience and interests in the interviews to which reference is made in paragraph 7 below.

5. *Experience.* Every candidate must have had, and in some cases will be required to produce evidence of, thorough experience in the duties of the class gained by service in a Government Department or other civilian scientific establishment or in technical branches of the Forces. The experience must cover a minimum period of two years to be completed before 31st May, 1950, on duties appropriate to vacancies in one of the four groups of scientific subjects mentioned below, and the two-year period must be recent, subject to allowance of gaps in cases where the experience has been broken by service in H.M. Forces:—

(i) Engineering and physical sciences.

(ii) Chemistry, bio-chemistry and metallurgy.

(iii) Biological sciences.

(iv) General (including geology, meteorology, general work ranging over two or more groups (i) to (iii) and highly skilled work in laboratory crafts such as glass-blowing).

6. *Further Study.* Every candidate will be required to state on his application form the courses of further study in individual science subjects (including engineering) or of technical training he is undertaking or has completed; also the certificates or examination passes he has been awarded by recognised public bodies such as the Universities and Technical Colleges, the Royal Institute of Chemistry, the City and Guilds Institute and the Institute of Medical Laboratory Technology.

7. *Competition.* The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will recommend for appointment those candidates who appear to them to possess the best qualifications, having regard to the nature of the vacancies available. The Board will take into consideration the candidates' record of education and experience, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the candidates' scientific knowledge and personal qualities as shown at the interview; and on their estimation of all the above evidence the Board will frame their recommendations. The decision of the Commissioners will be final.

8. *Health and Character.* Successful candidates must satisfy the Commissioners as to their health and character.

9. *Candidates Trained as Teachers.* Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

10. *Assignment.* It will rest with the Commissioners to determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service but the wishes of candidates will be met as far as possible.

11. *Canvassing.* Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment.

12. *Fee.* Every successful candidate will be required to pay a fee of 12s. 6d. before the issue of a certificate of qualification for appointment.
