1. Both men and women may compete under these Regulations.

2. Candidates must have attained the age of 21 and must not have attained the age of 31 on a date to be fixed in respect of the competition in which they are to take part, but this limitation as to age shall not apply to candidates from the Department of the Supreme Court in respect of which the appointment is to be made.

3. Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject, or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. A candidate must have had a secondary (grammar) school education and, at the date of signing his application form, either

(a) be a barrister, solicitor, or a graduate in law; or

(b) have served for at least ten years as a Clerk in the Department of the Supreme Court to which the appointment is to be made, and have received the written permission of the head of that Department to apply for the appointment.

The Civil Service Commissioners will assist in the scrutiny of the application forms of the candidates.

6. Candidates who are recommended by the Lord Chief Justice and are accepted by the Civil Service Commissioners will be summoned to an interview before a Selection Board sitting in Northern Ireland, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications. The Selection Board will consist of

representatives of the Civil Service Commissioners and of the Lord Chief Justice; they will take into consideration the candidate's record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above evidence they will frame their recommendations. The decision of the Civil Service Commissioners will be final.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. 10. The appointment of the selected candidates will be subject to their satisfying the Civil Service Commissioners as to their eligibility in respect of age, nationality, health and character.
