RECRUITMENT UNDER NORMAL REGULATIONS OF VETERINARY OFFICERS AND RESEARCH OFFICERS IN THE MINISTRY OF AGRICULTURE AND FISHERIES.

1. *Age.*

Candidates must be at least 23 years of age on 1st January, 1951. The Commissioners have not specified an upper age limit for these posts; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates who are over 50 years of age.

2. *Sex and Marriage.*

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established Civil Servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment under these Regulations to the situation of Veterinary Officer unless they undertake to refund on appointment the marriage gratuity paid.

3. *Nationality.*

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) if natural born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) Candidates for appointment as Research Officer should normally be Members of the Royal College of Veterinary Surgeons but in exceptional cases this qualification may be dispensed with in view of the special requirements of the Ministry of Agriculture and Fisheries and the special qualifications of a candidate. Preference will be given to those candidates who have had post-graduate experience in laboratory research work or in some other recognised branch of the Veterinary Profession.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

The Commissioners may summon to appear before a Selection Board all who are found to be *prima facie* eligible, or may, if they see fit, summon only those whose qualifications and experience are considered to be most suitable. The Selection Board will take into consideration the candidates' record of experience and education, any recommendation from persons named by the candidates as having direct knowledge of their work, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decision of the Commissioners will be final.

7. Candidates trained as Teachers.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons except as referees to be named by them in their Application Forms, will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidates' work, whether at school, in the Forces or otherwise.

9. Fee.

A successful candidate will be required to pay a fee of £1 10s. before the issue of a Certificate of Qualification for appointment.
