Civil Service Commission, 6th February, 1953.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

LIMITED COMPETITION FOR APPOINTMENTS AS ASSISTANT EXPERIMENTAL OFFICER IN VARIOUS GOVERNMENT DEPARTMENTS.

1. Age.

Candidates must be at least 28 and under 31 years of age on 31st December, 1953, i.e., they must have been born on or after 1st January, 1923, and on or before 31st December, 1925.

2. Sex.

Both men and women may compete under these Regulations.

3. Service.

Candidates must at the date of their application hold a permanent appointment in the Assistant (Scientific) Class.

4. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry or Ministry of Supply, unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air, or Minister of Supply, as the case may be.

5. Qualification.

Normally every candidate must be in possession of one of the undermentioned qualifications:—

(a) The Higher School Certificate with Mathematics or a science subject as a principal subject, or an equivalent qualification, or

(b) a General Certificate of Education in five subjects at the levels shown in brackets:—

(i) English language (Ordinary).

(ii) Two mathematical or scientific subjects (Advanced).

(iii) Mathematics (Ordinary), if no mathematical subject is offered in (ii)—except in the case of candidates who offer two biological subjects (Advanced) in (ii).

(iv) A scientific subject (Ordinary) if no scientific subject is offered in (ii).

(v) Balance of one or two subjects (Ordinary) at candidates' choice.

To assist candidates during the change-over period they will be admitted to this competition if they already possess a School Certificate and in addition obtain passes at the General Certificate of Education examination in two mathematical or scientific subjects at Advanced level; or

(c) The Senior Certificate of the Ministry of Education for Northern Ireland showing passes in English Language and in two Science subjects at Advanced level, in Mathematics at Ordinary level and in one other subject; or one Science and two Mathematical subjects at Advanced level and in two other subjects; or three Mathematical subjects at Advanced level, in one Science subject and one other subject; or

(d) A statement from the Scottish Education Department or the Ministry of Education for Northern Ireland showing that they have attained a standard equivalent to that required by (a) or (b) above; or

(e) A university degree in a scientific or engineering subject or in Mathematics; or

(f) Associateship of the Royal Institute of Chemistry, or graduate membership of any other professional institution accepted by the Commissioners as appropriate (e.g., Institution of Civil Engineers, Institution of Mechanical Engineers, Institution of Electrical Engineers); or

(g) The Higher National Certificate; or

(h) The final certificate of a grouped course in a relevant subject at the City and Guilds of London Institute. BUT

(j) Candidates who are not in possession of such certificate or equivalent qualification may be
