Council of the Administrative County of the North Riding of Yorkshire as the local planning authority for the area of the Administrative County of the North Riding of Yorkshire, has carried out a review of their area for the purpose of ascertaining what land there is in the county of the description specified in sub-section (2) of section 59 of the Act, namely "open country" consisting wholly or predominantly of mountain, moor, heath, down, cliff or foreshore (including any bank, barrier, dune, beach, flat or other land adjacent to the foreshore).

In consequence of their review the County Council are of opinion that, whilst there is in the Riding any appreciable area of land of the descriptions specified in section 59, sub-section (2) of the Act, no action needs to be taken, by the making of access agreements or orders or by the acquisition of land, for securing access by the public for open air recreation.

Notice is further given that in accordance with the provisions of sub-section (2) of section 62 of the aforesaid Act, the North Riding of Yorkshire County Council has forwarded to the Minister of Housing and Local Government a statement giving effect to the above-mentioned decision.

Any interested person, authority or association may make representations in writing to the Minister of Housing and Local Government, Whitehall, London, S.W.1, not later than the 20th July, 1953, to the effect that action needs to be taken whether by the making of access agreements or orders or by the acquisition of land for securing access by the public for open air recreation to any of the aforesaid land.
