The igel-illftatte Don Effeban de Gamarra the Spanish Ambassador, presented a Memorial, complaining that the French had last yielded a large quantity of Coals through the Sparish furtidiction without by intent of Custom, presending it by wat of Repostal for the 300 Spanish Horse had formedly perfect with a Convoy of Ammunition th ough the French Ferritories of St. Oners, which he affirms was me french retriories to st. Omers, which he amins was not for the party of Morle Having not passed beyond their bounds: but the Sieur Courtinis laid to have lately withten to the French Amballs out Mossicar Pompons, up let him know that the King his Mister is resolved to pay the Cuffords at Ming upon Coults? To take the all occusion, of fatther cointiality of that that side; and expects on the other sides spectrum in the side is pectrum. dy lawfaction in the point of the dependencies on his late Conquests.m

Conquerts.

The Estates of East Frit still nave designed to be excurted from payment of the Zubit charged on them by the
Princes of that place towards the reinforcement of the Gast
Tion of Stulkbur stagainst the invasions of attempts of the Billiop of Munifer, as feling concrary to former agreements midde between them, which freferred to such the con-

Park September 18: Mere is lately arrived a Turk belonging to the. Train of the Turkish Bavoys, who has not yet completed his Comparation at Marfeilles, by whom we'had that his Master is sent only under the Claracter of Bavoy, extraordinary from the Grand Seignide to the Emperor of France, as they the high Seignide to the Emperor of France, as they the high and that his business is so know his Majelies, resolution as so the shell the allahele which is flightagetly pleases, so mue, a probable of his Ballase as his. Apiballas of the resulting will then find one is his Ballase as his. Apiballas of the resulting one

many to conclude the faid treaty of alliance, with a new

one of Commerce very advantagious for the French Nation, according to the Project framed by the sieur de La Hay this Appliation in the Ottoman Court of High Majarly has lately taken into his Confideration the Confideration the Confideration the Confideration of the Confideration of the Confideration the Levant, which have been usually nominated by some person of Marfeilles, to whom His Maj fty h.s. len his Commands to bring up their titles and pretentions for luch nomination to the Court, where they shall be examined. and the persons concerned receive some recompence from His Mojelties bounty for their titlet; His Majesty being resolved to reserve such Elections for the future to himself, by the advice of Monfieur Colbert his Secretary of States who is ordered to make inqui y into the payments for Cong lulage charged on the Merchants for the maintainand of the Contuis.

His Majesty having sufficient testimony of the bilites of the French Confut of Alejpe for the management of the Eastern trade, hasfent him a Commilian to go thence to Suret , where he is to continue as Controler Gones ral of the Trade with a pension of 2000 Crownes for his

maintenance.

His Majesty has been sollicited for the conferring of lever Id Charges and Commands vacant upon the death of texes ral Officers killed and dying in Candia but has refuse to dispose of any till the teturn of his for es rom that Ex-

, The Duke. de Vernueit is continued for a years I neer in his employment as G. vernour of the Provi pe of Lang ea day; Itis Majesty has been pleased to conter on him like wile a farth a power then was formerly given to his P eden cellogs, which is to be Registres in the fift Parliament that

I all be held in that Province.

Here is lately arrived a Courien from Venice with a Lere ter to the King from the Senare, which the Venetist Ame halfadopr has presented, no taining many expressions of their thanks for this 3., faccor designed by His Majesty for their affittance in the defence of Candig undet the Com? maile of the Mareilal, de Bellefonde, but delicing that His Majesty would be pleased to hasten forwards t'as succos with all possible diligence, the Town being reduced to such extraordinary, lireights, that without, a speedy essistance they are not in a condition to defend the place.

Here is a flying report that the Turkshave lately made a general Assault upon the place, but were beaten off with the loss of 2500 men of the Enemy, and 1500 of the Gar-

M reshal de Bellefonds is hastning his beavies for a Res ginents, o e.of them under the Papes-name to be Chimminded by the Count, d' Haquincourt on Golonche and Mignicus de Binsas Lieutenant Colonel and der the name of Respiritos, to be 'Commanded by the Popes Nephew of that name, and to have for Lieuterana Colonelthe Sieur Urbain; every Company in these Reiments to confilt of 100 men. It's late the Grand Segniot has appealed the divitions in Constantinople by putting to death the Caymakan and the other perl no-who refuled to obey his Command in strangling his Brethren.
