Civil Service Commission, 19th April, 1955.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF MEDICAL OFFICERS IN GOVERNMENT DEPARTMENTS.

1. *Age*

Candidates must be at least 28 years of age on 1st May, 1955. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

2. *Sex and Marriage*

(i) Both men and women may compete under these Regulations, except that in the Prison Commission some vacancies will be available for men only and some for women only.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. *Nationality*

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners

that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Ministry of Supply unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he may be admitted to appointment by special permission of the Minister of Supply.

4. Qualifications

Candidates must be fully qualified and registered medical practitioners. It is desirable that candidates should have particular qualifications or experience appropriate to the special requirements of one or more of the Departments in which vacancies are likely to arise, as stated below; but all candidates should state in their applications the nature of any medical work in which they have special qualifications or experience. While the minimum age of recruitment is in general 28, candidates for certain posts should have longer experience as a qualified and registered medical practitioner than it is possible to have at the minimum age.

Group (a)

Ministry of Health. Candidates must have held an appointment in the Public Health Service or have had other comparable administrative experience.

Group (b)

Ministry of Health. Candidates must have had a wide experience of general practice. Experience in medical boarding or occupational health would be an advantage.

Ministry of Pensions and National Insurance. Candidates must have had good clinical experience and preferably also experience in one or more of the following; public health; occupational health; medical boarding.

Treasury Medical Service. Extensive clinical experience and an interest in people, both individually and in groups, is important; knowledge of the scientific approach and of the conduct of epidemiological surveys in environmental medicine is desirable.

Group (c)

Prison Commission. Candidates must possess sound knowledge of medical and surgical practice; preference will be given to those who have had post-graduate experience in psychological medicine. The possession of a special diploma in this subject would be an additional advantage.

Group (d)

Ministry of Pensions and National Insurance. Candidates must have a special interest and experience in chest work.

Group (e)

Ministry of Labour and National Service. Considerable post-graduate experience and the possession of a scientific (preferably in physics or chemistry) as well as a higher medical qualification are desirable. Experience in a particular branch of industry or the possession of the Diploma in Industrial Health is an advantage.

Ministry of Supply. Experience in industrial medicine or analogous work in the Services or the holding of the Diploma in Industrial Health, while not essential, would be an advantage.

Ministry of Fuel and Power. Candidates must have considerable post-graduate experience, preferably including professional work among coal-miners. Possession of a higher medical qualification would be an advantage.

Group (f)

Ministry of Health. Candidates for the *Pharmacologist* post must have special knowledge of pharmacology and of the manufacture and testing of biological products.

Candidates for the *Physiologist* post must be medical graduates with special knowledge of the physiology and biochemistry of nutrition with experience of research, including field investigations. Membership of physiological or biochemical societies is desirable.

Candidates for the posts at the *Artificial Limb and Appliance Centres* should preferably have had experience in orthopaedic or general surgery.

Home Office. Candidates must be experienced registered medical practitioners, abreast of current trends in medical and scientific thought.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Selection.

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview before a Selection Board, which will recommend to the Civil Service Commissioners those considered most suitable for appointment. The Commissioners' decision will be final.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. Assignment.

Where a successful candidate is suitable for appointment to more than one Department the Commissioners will decide to which Department he is to be assigned. Assignment will be made in accordance with the needs of the public service, but the candidate's preference as stated on his application form will be taken into account as far as possible.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

10. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
