*Air Ministry, 29th November, 1955.*

The QUEEN has been graciously pleased to approve the following award in recognition of gallantry and devotion to duty:—

*Bar to Air Force Cross*

Squadron Leader Stanley George HEWITT, A.F.C. (152251), Royal Air Force.

On 26th September, 1955, Squadron Leader Hewitt was the pilot of a Canberra B.2 aircraft giving a demonstration flight to a student crew. During the initial climb, after take-off from R.A.F. Station, Bassingbourn, a serious technical fault developed which made the aircraft virtually uncontrollable. By superb airmanship, Squadron Leader Hewitt so manoeuvred the aircraft that all the occupants were enabled to leave before he finally abandoned it. This officer's leadership, in this dire emergency, and his display of coolness and exceptional courage in the face of grave danger, were a fine example to all. Squadron Leader Hewitt has been a Squadron Commander at No. 231 Operational Conversion Unit, Bomber Command, for two years and during this period he has consistently displayed devotion to duty of the highest order.
