The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

REGULATIONS FOR THE RECRUITMENT OF PRINTING OFFICERS IN H.M. STATIONERY OFFICE.**1. Age.**

Candidates must be at least 22 years of age on the 1st March of the year in which the competition is held. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

2. Sex.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions :—

(a) If natural-born British subjects, they must either—

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications and Experience.

Candidates must have served an apprenticeship of at least five years to the Letterpress or Lithographic Trade, or have had practical training for the same period in the production of Printing; and they must have been recently and for a sufficient time in continuous employment in that trade. Successful candidates, before the issue of their certificates of qualification, will be required to provide proof, in the form of indentures or certificates of service, of their eligibility under this Regulation. If it is then found that they do not satisfy the requirements they cannot be appointed; the decision of the Commissioners will be final.

5. Examination.

After the last day for application has been reached, all applications will be scrutinised and candidates who from their application forms are considered by the Civil Service Commissioners and the Controller of Her Majesty's Stationery Office to be suitable for these appointments will be admitted to a competitive written examination in the following subjects :—

	<i>Maximum Marks.</i>
(1) English Composition	100
(2) Arithmetic	100
(3) Technical Knowledge (Printing)	300

Candidates must pass to the satisfaction of the Civil Service Commissioners in technical knowledge and in the examination as a whole. Of those candidates who obtain the highest total marks in the written examination, a certain number (to be determined by the Civil Service Commissioners) will be admitted to the second part of the competition, which will be held in London only. This will consist of an informal oral test of the candidates' technical knowledge, followed by an interview for the assessment of personal qualities before a board on which the Commissioners and Her Majesty's Stationery Office will be represented. The oral test and the interview for each candidate will normally be on the same day, and may, at the discretion of the Commissioners, be combined into a single interview at which technical knowledge and personal qualities will be assessed simultaneously. The Interview Board will award marks (out of a maximum of 100) which will take into account both the candidate's personal qualities and his technical knowledge as shown at the interview.

The order of merit of the candidates will be determined by their total marks (maximum 600) in the whole competition, except that candidates who fail at the interview to reach a standard acceptable to the Interview Board will be declared unsuccessful whatever their aggregate.

6. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.

9. Fee.

A fee of £1 10s. will be required from every candidate admitted to the written examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations, the written examination commencing on 31st July, 1956.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 7th June, 1956, an application on the prescribed form which may be obtained from the Secretary at once.
