Ministry of Fuel and Power.

Thames House South, Millbank, London, S.W.1.

15th May, 1956.

The Minister of Fuel and Power in pursuance of
the powers conferred upon him by the Electricity
Act, 1947, and the Regulations made thereunder,
has appointed, with effect from 1st July, 1956, D. B.
Irving, Esq., B.Sc., M.I.E.E., as a member and Chair-
man of the London Electricity Board constituted
under the said Act.

Civil Service Commission, 18th May, 1956.

The Civil Service Commissioners hereby give notice
that the following Regulations are published with the
approval of the Lords Commissioners of H.M.
Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF MEDICAL OFFICERS IN VARIOUS GOVERNMENT DEPARTMENTS.**1. Age.**

Candidates must be at least 28 years of age on
1st May, 1956. There is no upper age limit, but in

appointing persons in a permanent capacity Depart-
ments expect regular and effective service for a
reasonable period, and the Commissioners will take
this requirement into account.

2. Sex and Marriage.

(i) Both men and women may compete under these
Regulations, except that in the Prison Commission
some vacancies will be available for men only and
some for women only.

(ii) Married women who have formerly been estab-
lished civil servants and have drawn marriage
gratuity (other than those who resigned compul-
sarily on marriage and whose resignation took effect
before 15th October, 1946, or who are widows or
divorced, or who are separated from their husbands,
or whose husbands suffer without hope of recovery
from total physical or mental incapacity) will not
be eligible unless they undertake to refund on
appointment the marriage gratuity paid. Provided
that this undertaking will not be required if the
break between the first period of service (including
any period of unestablished service immediately
following the period in respect of which the gratuity
was paid) and the date of re-establishment is more
than seven years.

3. Nationality.

Candidates must be British subjects. They must
also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must
either

(i) have at least one parent who is or was at
death a British subject; or

(ii) have resided in Her Majesty's dominions
and/or been employed elsewhere in the service
of the Crown for at least five years out of the
last eight years preceding the date of their
appointment.

(b) If naturalised British subjects, they must
have resided in Her Majesty's dominions and/or
been employed elsewhere in the service of the
Crown for at least five years out of the last eight
years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this para-
graph they must satisfy the Commissioners that
they are so closely connected with Her Majesty's
dominions either by ancestry, upbringing or resi-
dence, or by reason of national service, that an
exception may properly be made in their favour.

Provided that a candidate will not be eligible for
an appointment under the Ministry of Supply unless
he is a natural-born British subject and born within
the United Kingdom or in one of the self-governing
Dominions of parents also born within the United
Kingdom or in one of the self-governing Dominions,
except when the circumstances are such as to justify
a departure from the general rule, in which case,
provided the candidate satisfies the conditions pre-
scribed by the preceding paragraphs, he may be
admitted to appointment by special permission of
the Minister of Supply.

4. Qualifications.

Candidates must be fully qualified and registered
medical practitioners, and should have the particular
qualifications or experience appropriate to the
Department or Departments for which they wish to
be considered. While the minimum age of recruit-
ment is in general 28, candidates for certain posts
should have longer experience as a qualified and
registered medical practitioner than it is possible to
have at the minimum age.

Group (a).

Ministry of Education. Candidates must have
had wide experience in the school health service
and should preferably have a higher medical
qualification. Possession of the D.P.H. would be
an advantage and so would experience in the
Public Health Service, including epidemiology.

Department of Health for Scotland. Head-
quarters post. Candidates must have had experi-
ence in the School Health Service and in the care
of handicapped children. A Diploma in Public
Health or Child Health is desirable.

Group (b).

Ministry of Health and Welsh Board of Health.
Candidates must have had a wide experience of
general practice. Experience in medical boarding
or occupational health would be an advantage.
For the post in the Welsh Board of Health a
knowledge of the Welsh language is desirable.

Ministry of Pensions and National Insurance.
Candidates must have had good clinical experience
and preferably also experience in one or more of

the following: public health; occupational health; medical boarding.

Treasury Medical Service. Extensive clinical experience and an interest in people, both individually and in groups, is important; knowledge of the scientific approach and of the conduct of epidemiological surveys in environmental medicine is desirable.

Group (c).

Prison Commission. Candidates must possess sound knowledge of medical and surgical practice. It is desirable that they should have had experience in psychological medicine, but the possession of the D.P.M., while a recommendation, is not essential.

Group (e).

Ministry of Labour and National Service. Considerable post-graduate experience and the possession of a scientific qualification (preferably in physics or chemistry) are desirable. Experience in a particular branch of industry or the possession of the Diploma in Industrial Health is an advantage.

Ministry of Supply. Experience in industrial medicine or analogous work in the Services or the holding of the Diploma in Industrial Health, while not essential, would be an advantage.

Group (f).

General Board of Control. Candidates must have special qualifications in psychiatry and have had experience in mental health work.

5. Health and Character

Successful candidates must satisfy the Commissioners as to their health and character.

6. Selection.

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview before a Selection Board, which will recommend to the Civil Service Commissioners those considered most suitable for appointment. The Commissioners' decision will be final.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners. This does not apply to candidates trained as teachers in England or Wales.

8. Assignment.

Where a successful candidate is suitable for appointment to more than one Department the Commissioners will decide to which Department he is to be assigned. Assignment will be made in accordance with the needs of the public service, but the candidate's preference as stated on his application form will be taken into account as far as possible.

9. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

10. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
