Millbank, London, S.W.1.

30th August, 1956.

The Minister of Fuel and Power in pursuance of the powers conferred upon him by the Electricity Act, 1947, and the Regulations made thereunder, has appointed A. N. Todd, Esq., A.C.A., as a member and Deputy Chairman of the London Electricity Board constituted under the said Act.

**Civil Service Commission, 4th September, 1956.**

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

**REGULATIONS FOR THE RECRUITMENT OF  
ARCHITECTURAL AND ENGINEERING DRAUGHTSMEN.****1. Age.**

Candidates must be at least 20 on 1st June, 1956. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period,

and the Commissioners will take this requirement into account.

## 2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widowed or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

## 3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment under the Admiralty, War Office, Air Ministry, Ministry of Supply, or Government Communications Headquarters (Foreign Office), unless he or she is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he or she may be admitted to competition or appointment by special permission of the First Lord of the Admiralty, Secretary of State for War, Secretary of State for Air, Minister of Supply, or Secretary of State for Foreign Affairs as the case may be.

## 4. Qualifications.

### (i) Technical Qualifications

Every candidate must have obtained an Ordinary National Certificate or an equivalent or higher qualification in an appropriate subject.

Provided that exceptionally, candidates for posts of Architectural, Civil, Structural, Sanitary or Heating and Ventilating Draughtsmen will be admitted who in place of this qualification can show evidence of such technical education, training and experience as, in the opinion of the Commissioners, fits them for consideration for such posts.

### (ii) Training\*

Every candidate must have satisfactorily completed a normal apprenticeship or pupilage, or have had equivalent training of not less than three years' duration (except as in (iv) below). In the case of candidates for Architectural Draughtsmen posts, time spent in full-time study of Architecture at a recognised educational institution may be accepted by the Commissioners as part of this training period.

In the course of their training candidates for Mechanical Engineering posts must have had adequate workshop experience with a good class engineering concern; for Civil Engineering posts they must have had adequate practical experience on building construction or civil engineering site

work and for Heating and Ventilating and Electrical Engineering posts they must have had adequate workshop experience or adequate experience on site or installation work with a good class engineering concern.

### (iii) Experience

Every candidate must have had at least one year's experience in a Drawing Office; this period must be additional to the training period specified in paragraph (ii) except that candidates for posts in the Admiralty and the Ministry of Works will be allowed to count time spent in a Drawing Office during that training period.

\* (iv) Exceptionally, candidates who have not served an apprenticeship must have had for employment in the

### (a) Admiralty

(i) for Mechanical and Electrical Engineering posts, five years equivalent training with a good class engineering concern which has included adequate workshop experience, and

(ii) for Architectural and Civil Engineering posts, not less than two and a half years' experience in a Drawing Office which has provided good opportunities for assisting in the planning, design, setting out and inspection of site work.

### (b) Air Ministry

For Heating and Ventilating posts, five years' experience with good class Installation Contractors, Consulting Engineers or other engineering organisation affording adequate practical experience on site installation works and/or at works and including not less than two years in a Drawing Office.

### (c) Ministry of Works

For Heating and Ventilating and Electrical Engineering posts, five years' experience with good class Installation Contractors, Consulting Engineers or other engineering organisation affording adequate practical experience on site installation works and/or at works and including not less than two years in a Drawing Office.

## 5. Application.

A candidate may make one, and only one, application under these Regulations during the year.

## 6. Health and Character.

Every successful candidate must satisfy the Commissioners as to his or her health and character.

## 7. Competition.

The candidates who appear from their applications to have the best qualifications and experience will be invited to interview in London before a Selection Board which will recommend to the Civil Service Commissioners those considered most suitable for appointment.

Candidates will be asked to bring examples of their work to the Board. The decision of the Civil Service Commissioners will be final.

## 8. Candidates Trained as Teachers.

Persons who have been trained as teachers, elsewhere than in England and Wales, and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

## 9. Assignment.

The Commissioners will determine the Department to which each successful candidate shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service, but the wishes of candidates will be met as far as possible.

## 10. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

## 11. Fee.

A successful candidate will be required to pay a fee of £1 before the issue of a certificate of qualification for appointment.
