PRESENT,

The QUEEN's Most Excellent Majesty in Council.

## Civil Service Commission, 25th January, 1957.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz:—

REGULATIONS FOR THE LIMITED COMPETITION FOR RECRUITMENT TO THE ADMINISTRATIVE CLASS OF THE HOME CIVIL SERVICE.

1. Both men and women are eligible, but women will not ordinarily be appointed to posts in the Ministry of Defence, Admiralty, War Office, or Air Ministry.

2. No candidate may compete in more than two Limited Competitions for the Administrative Class; but competing under both Method I and Method II in the same year will be treated as a single attempt.

## 3. Age.

Candidates must be at least 21 and under 28 years of age on 1st August, 1957.

Provided that the Commissioners may at their discretion waive the upper age limit in favour of a candidate who

(a) has been employed by his Department overseas; or

(b) was, although eligible, prevented from attending an earlier examination as a result of his having been recalled from the Reserve for a period of service or training with H.M. Forces;

and has thereby been deprived of one of the two attempts which he might normally have made.

(It is expected that these concessions will apply in future Limited Competitions.)

## 4. Service.

Candidates must have had at least two years' service immediately before 1st August, 1957, in either

(a) an established situation in the Home Civil Service to which they were admitted with a certificate of the Civil Service Commissioners. Service on established conditions of service except for sick leave and pension may count towards the whole or part of this period in the case of candidates who on medical grounds were not accepted for fully established appointment or were told by the Commissioners that a decision on health had been deferred; or

(b) a situation in the Office of the Commissioner of Police of the Metropolis, the Office of the Receiver for the Metropolitan Police District, the Office of the Crown Agents for Oversea Governments and Administrations, the Foreign Compensation Commission, the Forestry Commission, the Nature Conservancy, or Trinity House, after having been appointed to a post in one of those Offices as a result of a competition held by the Civil Service Commissioners.

Periods of service in the Armed Forces (other than periods covered by annual leave or by the grant of special leave with pay) may reckon towards the two-year period. Civil servants who have been established under a scheme in which established conditions of service reckon from a common date earlier than the date of issue of the certificate of qualification may reckon towards the two-year period any

service actually rendered in a non-industrial capacity after the common date and before the issue of the certificate of qualification.

#### 5. METHOD I.

(i) The competition consists of the following:—

(A) A written examination in

(a) three compulsory subjects, Essay, English, and Present Day, each with a maximum of 100 marks;

(b) a selection from the optional subjects set out in the Appendix. Subject to the provisions in the Appendix candidates may take optional subjects up to a total of 700 marks (making 1,000 marks in all for the written examination).

(B) Interview, for candidates whose marks in the written examination give them a chance of success:—

(a) a preliminary interview by a single interviewer, who will make a report to the Final Interview Board;

(b) an interview before the Final Interview Board, which will award a mark out of a maximum of 300 for the candidate's record, intelligence, and personal qualities. The Board will not be informed of marks given in the written examination.

(ii) The final order of merit will be determined by the total marks in the whole competition. The Commissioners' decision will be final.

#### 6. METHOD II.

(i) The competition consists of the following:—

(a) A written examination comprising an Essay, English, Present Day, a General Paper, and an intelligence test, each with a maximum of 100 marks (making 500 marks in all).

(b) A series of tests and interviews at the Civil Service Selection Board.

(c) An interview before the Final Selection Board.

(ii) Candidates who reach a qualifying standard in the written examination under (i) (A) will be invited to the Civil Service Selection Board. Of those who fail narrowly to reach this standard, the Commissioners may select for the Civil Service Selection Board a number whose records and reports give evidence of strong claims to further consideration.

(iii) The Commissioners will subsequently select in the light of the candidates' performances at the Civil Service Selection Board and of their records those who will be admitted to interview by the Final Selection Board.

(iv) The final order of merit will be determined by the mark awarded by the Final Selection Board. This will take into account the candidate's record, as well as his intellectual and personal qualities as shown throughout the Competition. The Commissioners' decision will be final.

(v) The Commissioners may exempt from the written examination a candidate who has previously obtained good marks for it, or for the compulsory papers in the Method I examination, and in the same competition has also been awarded a mark of more than 200 by the Final Board. The previous competition must have been a recent open or limited competition for the Administrative Class or Senior Branch of the Foreign Service.

#### 7. Health and Character.

Successful candidates must satisfy the Commissioners on their health and character.

#### 8. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned; this will normally be a different Department from that in which he has been serving. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

#### 9. Fees.

The total fee payable by all candidates is £4 for either Method separately or £6 for both Methods. Of this, £2 must be paid on application and the balance on admission to the examination. (Candidates exempted from the Method II written examination must pay the balance of the total fee when called upon to do so.) Candidates who are eligible for the Open Competition for the Administrative Class may compete in that competition (by either or both methods) in the same year as they compete in the Limited Competition. But those who

do so will be required to pay two separate fees in the manner prescribed for each competition, except that a candidate who competes by Method I in the Open Competition and pays the fee prescribed will not be required to pay any further fee for a concurrent candidature by Method I in the Limited Competition.
