WHEREAS the Church Commissioners have duly prepared and laid before Her Majesty in Council a Scheme bearing date the 1st day of November, 1957, in the words and figures following, that is to say:—

"We, the Church Commissioners, acting in pursuance of the New Parishes Measure, 1943, have prepared and humbly lay before Your Majesty in Council the following Scheme for (1) altering the boundaries of the parishes of Chigwell Row and The Ascension, Collier Row, Romford, and (2) constituting a new parish to be taken out of the parishes of The Ascension, Collier Row, Romford; Trinity, Barkingside; Chigwell and Chigwell Row, all of which parishes are situate in the diocese of Chelmsford.

"And whereas we have not approved any consecrated church within the area described in Part III of the said Schedule as suitable to be the parish church of the new parish:

"Now, therefore, with the consent of the Right Reverend Falkner, Bishop of Chelmsford (in testimony whereof he has set his hand and affixed his episcopal seal to this Scheme), we, the said Church Commissioners, do humbly recommend and propose as follows, that is to say:—

"1. As from the date of the publication in the London Gazette of any Order of Your Majesty in Council confirming this Scheme the boundaries

of the said parishes of Chigwell Row and The Ascension, Collier Row, Romford, shall be altered in the manner described in Part I of the Schedule hereto and delineated on the map annexed hereto.

"2. (a) As from the date of the licence hereto of a Minister the area defined in Part II of the said Schedule and delineated on the said map shall be a separate district for spiritual purposes.

"(b) As from the date of the consecration of a church within the area approved by us, the said Church Commissioners, as suitable to be a parish church, or if the church is consecrated before such approval, the date of the approval, the said area shall become a new parish.

"(c) The name of the district (or parish as the case may be) shall be 'the District (or Parish) of Saint Paul, Hainault'.
