1. Both men and women may compete.

2. *Age.*

Candidates must be at least 22 years of age on the 1st March, 1958. There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

3. *Nationality.*

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

4. *Qualifications and Experience.*

Candidates must, by 8th April, 1958, have served an apprenticeship of at least five years to the Letterpress or Lithographic Trade, or have had practical training for the same period in the production of Printing: and they must have been recently and for a sufficient time in continuous employment in the trade. Successful candidates, before the issue of their certificates of qualification, will be required to provide proof, in the form of indentures or certificates of service, of their eligibility under this Regulation. If it is then found that they do not satisfy the requirements they cannot be appointed.

5. *Examination.*

Those candidates who from their application forms appear to be best qualified will be summoned to a competitive examination which will be partly written and partly oral.

(a) *Written examination.*

	Maximum marks

(2) Arithmetic	100
(3) Technical Knowledge (Printing) ...	300

(b) *Interview*

	Maximum marks
(b) Interview	100

Of the candidates who obtain the highest total of marks in the written examination a certain number, to be determined by the Commissioners, will be invited to interview. Every candidate to be interviewed must reach a standard satisfactory to the Commissioners in the Technical Knowledge papers and in the written examination as a whole.

The order of merit of the candidates will be determined by their total marks (maximum 600) in the whole competition, except that candidates who fail at the interview to reach a standard acceptable to the Civil Service Commissioners will be declared unsuccessful whatever their aggregate.
