POST OFFICE

1 Aldersgate Street London E.C.1

POST OFFICE OVERSEAS TELEGRAMS

Her Majesty's Postmaster General hereby gives notice pursuant to Regulations 8 (2), 30 (6) and 32 (8) of the Telegraph (British Commonwealth and Foreign Written Telegram) Regulations, 1959, and Regulation 6 (2) of the Telegraph (British Commonwealth and Foreign Written Press Telegram) Regulations, 1959, that the rates of charge for telegrams from the United Kingdom, the Isle of Man and the Channel Islands to places abroad and the territories or places to which and the routes by which such telegrams may be sent, are as shown in the tables following. This notice consolidates, but makes no alteration to, the rates of charge published from time to time under Statutory Regulations revoked by those above-mentioned.

Every service in respect of which a charge appears in the tables is available as at the date of publication of this notice. Where no charge is indicated under any heading in respect of a particular destination the relative service is not available at that date. The services available to particular destinations abroad are, however, liable to be suspended and the restrictions imposed are liable to be varied from time to time by any of the telegraph administrations and private operating agencies concerned. Subject to any such restrictions telegrams may be sent to every one of the destinations indicated in the appropriate table over the routes specified.

Except where otherwise stated the service of urgent telegrams is available at a rate per word equal to twice the rate per word for a telegram to the same destination over the same route sent at the ordinary rate.

A paid service telegram for the purpose of obtaining or giving information or giving instructions respecting an original telegram may be sent to destinations to which the ordinary rate service is available. Paid service telegrams are charged for as ordinary telegrams.

Where the total amount of the charge for a telegram would include an odd number of farthings the charge is raised to the next higher halfpenny or penny as the case may be.

The de luxe telegram service of delivery on ornamental forms (LX) is available to the destinations indicated.

The route abbreviations "Imperial" or "via Ldn. Electra House" signify that the telegram is dealt with in the U.K. by the Post Office. The route abbreviations "Commercial", "Northern", "P.Q." and "Western Union" signify that the telegram may be handed over by the Post Office to the Commercial Cable Company, the Great Northern Telegraph Company, the French Telegraph Cable Company or the Western Union Telegraph Company respectively, for further treatment.
