.Turin, April 14. N. S.

HE French Forces which have winter'd in Savoy are now marching into Piedmont by the Way of the Valley of Aousta, and the rest of their Troops are likewise in motion. They are making a Bridge over the Po at Chivas, in which Place, as well as at Susa, they lay up great Stores of Provisions and Ammunition. They have begun to demolish the Fortifications of Ivrea. On our side the store is lost in perfecting our new Fortifications. no time is lost in perfecting our new Fortifications, and making all the Preparations that are necessary for

our Defence.

The Muscovite Forces are in Warsaw, April 23. Motion, and are to rendezvous at Brescici: The Czar himself is marched thither from Minsky with the Troops he lately brought from Muscovy and the Cosfacks under the Command of General Mezzeppa, who joined him at the Place last mentioned; and the Mus-covite Forces which lay at Grodno have been on their March ever sicne the 8th Instant. General Baur, with the Body of Mucovite Troops under his Command, is coming from Courland to Lithuania, to join Prince Wisnowisky, who has with him about 8000 Poles, and the Swedish General Lewenhaupt is marching the same Way with a Body of Troops, in order to observe their Motions. We hear a Detachment of Swedish Forces hath lately defeated one of about 2500 Cossacks near Nieswitz. They write from Wilna, That the Swedish have demanded a considerable Sum of that City by March of Constitution, page 25 which was paid by Way of Contribution, part of which was paid them in Money or Goods, and they took feveral Perfons with them as Hostages for the remainder, and carried them away to their Camp at Zoludki. It is faid they shortly expect considerable Supplies of Men, Money

and Ammunicion from Sweden.

Vienna, April 24. A confiderable Number of Re-Vienna, April 24. cruits arrived lately from Bohemia, for our Troops in Italy, which were immediately fent away thither. The Psincipality of Transilvania being now entirely freed from the Malecontents, the Danish Troops which were sent thither about half a Year ago with General Herbeville are recalled, and have already begun to march this way. The Troops on both fides in Hungary continue very quiet, in Expectation of the Issue of the Negociation that is carrying on for restoring the Peace and Tranquisity of those Parts. Our last Letters from thence lest the Emperor's Troops commanded by General Paify near Altembourg. Count Budiani, who some time since was defeated near Five-Churches by the Imperial Forces under General Herbersteyn, is now at Fedwar, where he has been joined by the Malecontents under the Command of Stephen Andreasti. There lay another Body of Malecontents in the County of Oedembourg. Several Barks laden with Provisions and Ammunition, with Soldiers on Board to guard them, are to be fent very speedily down the Danube to Comorra, Gran, and Buda, to supply the Magazines of those Towns.

Administrator of Bavaria, is lately returned to Munich from the Imperial Court, where he has been to receive Instructions concerning several new Regula-

tions to be made for the better Government of thar Electorate, and the more effectual fecuring it against fuch Attempts as were made not long fince to deprive it of the Tranquility it now enjoys under the Emperor's Government. It has been refolved to dismantle the Town of Braunau, to fave the Expence of keeping a Garifon there, and that Work is already in good Forwardness. General Kirchbaum is lately come to Newbourg, to hasten the March of the Palatine Troops

that are to proceed from thence to Italy.
