4d. for each $\frac{1}{2}$ ounce.

H.M. CUSTOMS AND EXCISE

NOTICE OF SEIZURE UNDER THE CUSTOMS AND EXCISE ACT, 1952

To: MICHAEL JOSEPH CASSIDY, 506 Edward Street, Woodstock, Ontario, Canada.

17th January 1961.

Pursuant to section 275 (5) of the Customs and Excise Act, 1952 and paragraph 1 of the 7th Schedule thereto, the Commissioners of Customs and Excise hereby give you notice that by virtue of the powers contained in the customs and excise Acts and enactments amending those Acts, a 1953 Jaguar motor car registration number Q.S. 8913, engine No. W. 9058-8, chassis number 677582 has been seized as liable to forfeiture upon the grounds that the said car being goods chargeable with a duty of customs, was allowed to be delivered at Liverpool on 30th June 1960 without payment of that duty on condition that it would be re-exported from the United Kingdom when the importer's temporary stay in the United Kingdom came to an end and such condition was not observed. Whereby and by force of section 257 of the Customs and Excise Act, 1952, the said car is liable to forfeiture.

If you claim that the said car is not liable to forfeiture you must within one month from the date of this notice of seizure give notice of your claim in accordance with the said Schedule to the said Act specifying the name and address of a Solicitor in England who is authorised to accept service of process and to act on your behalf. In default of such notice the said car will be deemed to have been duly condemned as forfeited and will be disposed of in such manner as the Commissioners of Customs and Excise may direct. If you make such claim within the time aforesaid, legal proceedings will be taken for the condemnation thereof.

G. J. Steeman, Officer of Customs and Excise.

PUBLIC NOTICES
