- (vi) prescribe the manner in which vehicles shall stand in parking places and in particular that every part of a vehicle shall be within the limits of a parking bay;
- (vii) provide that a parking attendant may remove from a parking place any vehicle in respect of which certain provisions of the Orders have been contravened or not complied with;
- (viii) empower the Council to install parking meters at parking places; and
- (ix) make other incidental provision.

The Regulations would:

- I. - (b) prohibit waiting by vehicles for the purpose of loading or unloading goods in certain parts of the streets named in Part II of the Third Schedule hereto (these streets are also included in Part I of the First Schedule).
