Notice is hereby given that the Common Council of the City of London (hereinafter referred to as "the Council") are applying to the Minister of Transport for an Order under section 85 of the Road Traffic Act, 1960, to designate parking places on certain highways (controlled by meters) and, in conjunction with these proposals, are asking the Minister to make Regulations under section 34 of the Act (as amended).

The general effect of the proposed Order and Regulations would be to make an area within the City of London a Controlled Parking Zone. The boundaries of the proposed zone are on the east, the Boundary between the City and the Metropolitan Borough of Stepney, and on the south by the river Thames but including London Bridge, Southwark Bridge and Blackfriars Bridge, and on the west by the Boundary between the City and the City of Westminster and on the north by the south side of Fleet Street, Ludgate Circus, Ludgate Hill and St. Paul's Churchyard (south), the east side of St. Paul's Churchyard (east), the north side of Cheapside, the north-east side of Bucklersbury, the south side of Bucklersbury (between Queen Victoria Street and Walbrook), the west side of Walbrook, the north side of Cannon Street (between Walbrook and St. Swithin's Lane), the east side of St. Swithin's Lane, the north side of Lombard Street, the north and north-west sides of Fenchurch Street, the north-west sides of Aldgate and Aldgate High Street.

The proposed Order would:

- (ii) Fix the maximum number of parking bays (i.e. spaces on the carriageway where vehicles may be left) in each parking place; provide that the number and situation of such parking bays in each parking place may be determined by the Council and provide that parts of certain parking places shall not be occupied by parking bays;

- (iii) Provide that the parking bays may be used for the leaving of vehicles of any class or description specified in the Second Schedule hereto, between the hours of 8.30 a.m. and 6.30 p.m. on any day other than a Saturday, Sunday, Christmas Day, Good Friday or a Bank Holiday ;
- (iv) Provide that the initial charge for leaving a vehicle in a parking place shall be one shilling for two hours or sixpence for one hour, except for 18 parking bays on the south side of Victoria Embankment to be provided with 2- or 4-hour meters, i.e. one shilling purchasing two hours and a florin, four hours. Such charge shall be payable on the leaving of the vehicle in a parking place by the insertion of a coin or coins in a parking meter ;
- (v) Provide that an excess charge of ten shillings shall be incurred in respect of any vehicle left in a parking place for longer than the period for which payment was made by the initial charge and that payment of any excess charge incurred shall be made to the Council by the seventh day following the day on which the excess charge was incurred ;
- (vi) Prescribe the manner in which vehicles shall stand in parking places and in particular that every part of a vehicle shall be within the limits of a parking bay ;
- (vii) Provide that a traffic warden may remove from a parking place any vehicle in respect of which certain provisions of the Order have been contravened or not complied with ;
- (viii) Empower the Council to install parking meters at parking places ; and
- (ix) Make other incidental provision.

The Regulations would:

1. (b) Prohibit waiting by vehicles for the purpose of loading or unloading goods in certain parts of the streets named in Part II of the Third Schedule hereto (these streets are also included in Part I of the First Schedule).

(The Council proposes that exemptions should be provided in the Regulations)—

- (i) To permit bicycles propelled by mechanical power and not having a sidecar attached thereto to wait in cycle parking areas within the streets named in the Fourth Schedule hereto ;
- (ii) To permit vehicles to wait—to pick up and set down passengers and their baggage, to carry out essential services, or while in use by local authorities in an emergency ;
- (iii) To permit vehicles to wait for the purpose of loading or unloading goods in all the above-mentioned lengths of restricted street except in those parts of streets where the prohibition mentioned in 1(b) applies.

2. Institute one-way traffic working in the streets named in the first column of Part I of the Fifth Schedule hereto, in the direction specified in the second column of that Schedule. The existing one-way streets named in Part II of the Fifth Schedule to revert to two-way working.
