- (b) In any earthen grave now existing in the said portion of the Churchyard, the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part

of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

- (c) In the said portion of the Churchyard, in any grave space in which no interment has heretofore taken place, the burial may be allowed of the body of any person for whom or of any member of a family for which such grave space has been reserved and appropriated as a burial place, with the exclusive right of burial therein, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.
