1. Notice is hereby given that the Minister of Housing and Local Government has prepared in draft an Order which he proposes to make under paragraph 5 of Schedule 2 to the Water Resources Act 1963.

These provisions, however, are subject to a power given to the Minister of Housing and Local Government by order to include in, or exclude from, a river authority area, designated tidal waters in so far as they are below low-water mark.

3. The general effect of the Order to which this notice relates is to make such inclusions and exclusions at certain points on the coast of the area of the Devon River Authority area. The following tidal waters are affected:

- (1) the mouths of the rivers Exe, Teign and Dart ;
- (2) Kingsbridge estuary and Bowcombe creek ;
- (3) the mouths of the rivers Avon and Erme ;

(4) the mouth of the river Torridge and the estuary of the rivers Taw and Torridge.

4. Copies of the draft Order and of the maps to which it refers may be inspected by any person free of charge at all reasonable hours during the period of 28 days from 4th June 1964 at the following places:

5. Any person may within a period of 28 days from that date object to the Order by notice in writing to the Minister. Any such objection should be addressed to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, quoting reference No. WS/387/4/13. Any person who duly objects will be given an opportunity of being heard on his objection, and thereafter it will be open to the Minister to make the Order in the form of the present draft or with alterations as he may think fit.
