WATER RESOURCES ACT 1963

Draft of the Cumberland River Authority (Seaward Boundaries of Area) Order 1964

1. Notice is hereby given that the Minister of Housing and Local Government has prepared in draft an Order which he proposes to make under paragraph 5 of Schedule 2 to the Water Resources Act 1963.

2. The purpose of Schedule 2 is to secure that the seaward boundaries of river authority areas are clearly defined for the purposes of the new, water resources, functions of those river authorities. It provides generally that the seaward boundary is to be low-water mark of ordinary spring tides on the coast of a river authority area and that in the case of a river, stream or other water-course the boundary is to be a line across the mouth from low-water mark at the seaward extremity of one bank to low-water mark at the seaward extremity of the other bank, thus including in the area waters within that line. These provisions, however, are subject to a power given to the Minister of Housing and Local Government by order to include in, or exclude from, a river authority area, designated tidal waters in so far as they are below low-water mark.

3. The general effect of the order to which this notice relates is to make such inclusions and exclusions at certain points on the coast of the area of the Cumberland River Authority area. The following tidal waters are affected:

- (1) the entrances to the Outer Harbours at Whitehaven and Workington;
- (2) the mouths of the rivers Waver and Wampool;
- (3) the mouths of the rivers Eden and Esk.

4. Copies of the draft order and of the map or maps to which it refers may be inspected by any person free of charge at all reasonable hours during the period of 28 days from 18th June 1964 at the following places:

- (1) the offices of the Cumberland River Board, River Board House, London Road, Carlisle;
- (2) the offices of the Cumberland County Council, County Offices, Carlisle.

5. Any person may within a period of 28 days from that date object to the order by notice in writing to the Minister. Any such objection should be addressed to The Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, quoting reference No. WS/387/4/26. Any person who duly objects will be given an opportunity of being heard on his objection, and thereafter it will be open to the Minister to make the order in the form of the present draft or with alterations as he may think fit.

W. R. Corrie, Assistant Secretary.

16th June 1964.
