Plans, bearing the reference NE 1, on which the proposed additions and deletions are shown in green and purple colour respectively, will be available for public inspection during normal office hours within the period ending with 8th January 1965 at the following addresses:

The Office of the Town Clerk, Newilton House, Derngate, Northampton, the Office of the Clerk to the Nene River Board, North Street, Oundle, Peterborough and the Offices of the Ministry of Agriculture, Fisheries and Food, Great Westminster House (Room 410), Horseferry Road, London S.W.1.

A copy of the statutory map of the River Board Area showing existing main river may also be inspected at the two latter addresses.

Any objection to the proposed variation of the statutory map should be made in writing and sent by post to the Secretary, Ministry of Agriculture, Fisheries and Food at the address mentioned above, within the period mentioned above, quoting reference LDC 663.

J. Crooks, Assistant Secretary.

Dated 26th November 1964.

RIVER BOARDS ACT 1948

East Suffolk and Norfolk River Board Area

In pursuance of subsection (3) of section 6 of the River Boards Act 1948, the Minister of Agriculture, Fisheries and Food hereby gives notice that the East Suffolk and Norfolk River Board have made application under the said subsection that the map approved under subsection (2) of the said section, showing the extent of the main river for the purposes of Part II of the Land Drainage Act 1930, be varied by:

The ADDITION to the said main river of:

Channels forming a continuous watercourse from a point east of Old Hunstanton to the outfall through Harbour Channel. (TF 74.)

Part of a watercourse from Great Fransham, through Crane's Corner and east of Gressenhall, to existing main river north of Gorgate Hall, together with an alternative channel at this point. (TF 81; TF 91.)

A continuous watercourse comprising parts of the Rivers Tat and Wensum from a point south of Wickenpond Farm to existing main river south-west of Southmill Farm. (TF 82; TF 83.)

Part of the River Burn from a point north-west of Leicester Square Farm, South Creake, to existing main river east of Burnham Market. (TF 83; TF 84.)

Part of the Blackwater River from a point south of Shipdham to its confluence with the River Yare; part of the River Yare from its confluence with Blackwater River to the head of existing main river north-east of Barford. (TF 90; TG 00; TG 10.)

Part of the River Stiffkey from a point east of Kettlestone to the head of existing main river at Great Snoring, together with an alternative channel near Brookhill Plantation. (TF 93.)

Part of the River Tud from a point near Hedges Farm, Shipdham, to existing main river north of East Tuddenham, together with an alternative channel near Big Carr. (TF 90; TF91; TG 01.)

A continuous watercourse from a point at Spooner Row, through Wymondham and Kimberley Park, to existing main river at Barford. (TM 09; TM 19; TG 00; TG 10.)

A watercourse from a point near Lizard Farm, Foulsham, through Foxford Bridge, to existing main river north-east of Lenwade. (TG 02; TG 01; TG 11.)

A watercourse from Drizzle Den, Hevingham, to its confluence with the River Bure; a tributary from Church Farm, Felthorpe, to its confluence near Spixworth Bridge. (TG 11; TG 21.)

Part of the River Bure from Ramsgate Street, Edgefield, to existing main river at Ingworth, together with certain alternative channels at Saxthorpe and Itteringham. (TG 03; TG 13; TG 12.)

A watercourse from Gunthorpe, past Brinton, to existing main river near Beck Farm, Stody. (TG 03.)

A continuous watercourse from Selbrigg Pond, Bodham, through Hunworth, to existing main river near Hunworth Common. (TG 03; TG 13.)

A watercourse from a point near Cley Park, Cley next the Sea, to its confluence with main river at Letheringsett. (TG 04; TG 03.)

A watercourse from a point near Upper Stoke to its confluence with the River Tas north of Caistor St. Edmund. (TG 20.)

A watercourse from a point north-west of Woodton Farm, through Shotesham, to its confluence with the River Tas near Swainsthorpe Hall. (TM 29; TG 20.)

Part of the Beck from a point south-west of Bramerton to existing main river at Rockland Broad. (TG 20; TG 30.)

Part of Mundesley Beck from a point west of Triningham to its outfall at Mundesley. (TG 23; TG 33.)

A watercourse comprising part of Witton Run and Run Dike from a point north of Hall Farm, Great and Little Plumstead, to its confluence with the River Yare. (TG 21; TG 31; TG 30.)

A short length of watercourse from a point north of New Barn, Surlingham, to its confluence with the River Yare. (TG 30.)

Part of Carleton Beck from a point north of Thurton to its confluence with the River Yare. (TG 30.)

Fleet Dike from a point south of Wood Lane Farm, Strumpshaw, to its confluence with the River Yare. (TG 30.)

A watercourse from a point north-west of Cantley to its confluence with the River Yare. (TG 30.)

Spong Carr from a point west of Southwood Hall, Cantley, to its confluence with the River Yare. (TG 30.)

A watercourse from a point west of Halvergate to existing main river east of Acle; tributary watercourses from a point south of Acle, a point west of Wood Farm, Acle, and a point south-west of Hall's Farm, Beighton. (TG 40; TG 41; TG 31; TG 30.)

A length of watercourse from a point north of Hill House, Rattlesden, to existing main river north-east of Rattlesden. (TL 95.)

A watercourse from a point near Valley Farm, Often, through Somersham, to its confluence with the River Gipping north of Bramford. (TM 04; TM 14.)

A watercourse from a point north-east of Hintlesham Priory, Hintlesham, to existing main river at Washbrook Bridge, Washbrook; a tributary from a point south of Flowton Hall, Flowton, to a point south-east of Brook Farm. (TM 04; TM 14.)

A watercourse from a point near the Rectory, Wintesham, to existing main river at Tuddenham St. Martin. (TM 15; TM 14.)

A watercourse from a point at Valley Farm, Helmingham, through Framsdon, to its confluence with the River Deben near Little Valley Farm. (TM 15; TM 25; TM 26; TM 16.)

Part of the River Dove from a point near Mendlesham to existing main river at King's Bridge, Eye. A tributary from a point near Mendlesham to a point east of Thwaite. (TM 16; TM 17.)
