

with the B3114 road, thence south-eastwards along this road to Chewton Mendip, south-westwards along the A39 to the crossroads at Bathway and then continuing on the B3114 road again to Emborough.

Eastern Boundary

From Emborough the boundary follows the B3139 road south-westwards and along the roads through Wells via the points ST552459, ST551461, ST549459, ST549458 and ST550457. The boundary then follows the A39 road south-westwards through Coxley to the junction with the B3151 road in Glastonbury.

Southern Boundary

From Glastonbury the boundary follows the B3151 road north-westwards to Westhay, thence northwards to the junction with the B3139 road in Wedmore. The boundary then continues westwards along this latter road through Blackford, passing to the north of Watchfield to the point ST322471 in Highbridge.

Western Boundary

From Highbridge the boundary follows the railway northwards to the point ST371626 (near West Wick).

An area of approximately 160 square miles in the Counties of Gloucester, Somerset and Wiltshire

Northern Boundary

From the point ST560893 (in the River Severn) the boundary follows a straight line to the point ST564889, thence eastwards along the B4461 road past Aust to Olveston, thence north-eastwards to the junction with the A38 road near Alveston, thence along this latter road to Grovesend. From this point the boundary follows the road south-eastwards to Tytherington, thence north-eastwards via the point ST693904, near Cromhall, to the point ST693906, thence eastwards to the junction with the B4058 in Townwell and along this latter road to Charfield Station. From this point the boundary follows the railway southwards to the point ST727894, thence along the B4060 road to the point ST725888, thence south-eastwards along the road to Dunkirk, and north-eastwards along the A46 to its junction with the A433 and along this latter road to the point ST799865, thence south-eastwards and eastwards along the road to Sherston.

Eastern Boundary

From Sherston the boundary follows the B4040 road south-westwards past Luckington to the junction with the B4039 in Acton Turville, thence southwards along this latter road to Burton, thence westwards along the road to the point ST775776 and southwards to the junction with the A420 in Marshfield.

Southern Boundary

From Marshfield the boundary follows the A420 road westwards to the railway station near Warmley, thence northwards and westwards along the railway through Bristol, past Shirehampton and Avonmouth to the point ST502788 in Swash Channel.

Western Boundary

From the point ST502788 the boundary follows a straight line northwards to the point ST503790, thence north-westwards along the Low Water Mark of Ordinary Tides in the Mouth of the Severn to the point ST560893.

An area of approximately 138 square miles in the County of Somerset

Northern Boundary

From the point ST502788 in Swash Channel the boundary follows the railway south-eastwards past Avonmouth and Shirehampton and through Bristol to the point ST614751 near Eastville.

Eastern Boundary

From Eastville, the boundary follows the road south-westwards through Bristol to its junction with the A420 and continues along the latter until it meets the A38 road. From this point the boundary follows the A38 road to the road junction at point ST574702, thence southwards along the road past Bishopsworth to the point ST571631 near Chew Magna, thence southwards along the B3114 road to West Harptree.

Southern Boundary

From West Harptree the boundary follows the A368 road north-westwards to its junction with the A38 road, thence north-eastwards along this latter road to the point ST455603 and along the road to the point ST456604 to the west of Lower Langford, thence northwards along the road to the junction with the A370 road in Congresbury. From this point the boundary follows the A370 road in a westerly

direction to the point ST371626 near West Wick, thence south-westwards along the railway to the point ST324544 at Cripp's Bridge, thence westwards along the road to the junction at point ST307550 and northwards to the point ST307560 and westwards again to the point ST297562 near Brea, from this point along a straight line to the point ST277562 (on the Low Water Mark of Medium Tides).

Western Boundary

From the point ST277562 the boundary follows the Low Water Mark of Medium Tides (Low Water Mark Ordinary Tides) to the point ST502786 and thence by a straight line to the point ST502788 in Swash Channel.

An area of approximately 140 square miles in the County of Somerset

Northern Boundary

From the point ST632512 (to the west of Broadway) the boundary follows the railway north-eastwards to the point ST688549 thence south-eastwards along the A362 road to its junction with the A366 road to the north of Ammerdown Park, thence north-eastwards to Norton St Philip and south-eastwards along the B3110 road to the junction with the A36 road in Woolverton, thence south-eastwards along this latter road to the point ST821505 near Standerwick.

Eastern Boundary

From Standerwick the boundary follows the railway south-westwards to the point ST632334 near Castle Cary Station.

Southern Boundary

From the point ST632334 the boundary follows the A371 road northwards to Evercreech Junction Station, thence north-westwards along the railway to West Pennard Station, thence westwards along the A361 road to its junction with the A39 road in Glastonbury.

Western Boundary

From Glastonbury the boundary follows the A39 road northwards past Coxley and along the road through Wells via the points ST550457, ST549458, ST549459, ST552461, to the point ST552459 thence north-eastwards along the B3139 road through Emborough, to the point ST632513 (to the west of Broadway).

An area of approximately 144 square miles in the Counties of Somerset, Gloucester and Wiltshire

Northern Boundary

From the point ST744727 at the crossroads between the A420 and the A46 roads near Cold Ashton the boundary follows the former road eastwards to Marshfield, thence northwards along the road to the point ST775776, thence eastwards along the road to its junction with the B4039 at Burton, thence south-eastwards along this latter road through Upper Castle Combe and Yatton Keynell to its junction with the A420 road. From this point it continues eastwards along the A420 road until it meets the railway in Chippenham.

Eastern Boundary

From Chippenham the boundary follows the railway southwards to the point ST900645 in Melksham, thence southwards along the A350 road to its junction with the A361 at Semington. From this point the boundary follows the A361 road south-westwards until it meets the railway in Trowbridge, thence southwards and westwards to the point ST821505 near Standerwick.

Southern Boundary

From Standerwick the boundary follows the A36 road north-westwards through Beckington to the junction with the B3110 road in Woolverton, thence along this latter road to its junction with the A366 road in Norton St Philip, thence westwards along the A366 road to the junction with the A362 road to the north of Ammerdown Park, thence north-westwards along this latter road to its junction with the A367 road in Radstock.

Western Boundary

From Radstock the boundary follows the A367 road north-eastwards through Peasedown St John to the point ST744642, thence through Bath eastwards past Beechen Cliff and northwards past Dolemeads and Villa Fields to Hat and Feather Yard thence north-eastwards along the A4 road to the junction with the A46 road near Lambridge. The boundary then follows the A46 road northwards to the point ST744727 at the crossroads near Cold Ashton.
