### NELSON BOROUGH COUNCIL

*The Borough of Nelson (No. 1) Smoke Control Order, 1965*

Notice is hereby given that the Council of the Borough of Nelson in exercise of the powers conferred on them by section 11 of the Clean Air Act, 1956, on the 4th day of August 1965, made an Order entitled *The Borough of Nelson (No. 1) Smoke Control Order,*

1965, declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the exemptions provided by the Order and by virtue of section 11 (4) of the Act if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £10 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

If confirmed the Order will come into operation on the 1st September 1966, or such later date as may be determined by the Minister of Housing and Local Government.

Copies of the Order and of the map referred to therein may be inspected free of charge at the Town Hall and Public Health Department, Carr Road, Nelson, at all reasonable times during the period of six weeks from the 20th day of August 1965.

Within the said period any person who will be affected by the Order may by notice in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.

Attention is drawn to the fact that electrically-operated space heating appliances, except off-peak storage heaters, and open fire grates which are capable of burning only open grate fuels, such as open grate gas coke, have been designated as being unsuitable for installation in the smoke control area. The effect of this is that no grant will be paid to persons who instal such appliances or grates in order to avoid contravention of the said section 11.

Notice is hereby given that the Skelmersdale Urban District Council, in exercise of the powers conferred on them by section 11 of the Clean Air Act, 1956, on the 20th day of April 1965, made an Order entitled "The Skelmersdale Urban District Council (No. 1) Smoke Control Order, 1965", declaring the area described in the Schedule hereto to be a Smoke Control Area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

If confirmed, the Order will not come into operation before the 1st day of June 1966, or before a later date determined by the Ministry of Housing and Local Government.

Within the said period any person who will be affected by the Order may, by notice in writing to

the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1 object to the confirmation of the Order.

On the 25th day of May 1965, the Council designated the following class of heating appliances for the purpose of section 95 (2) of the Housing Act, 1964, as being in the Council's opinion unsuitable for installation in the area of the Skelmersdale Urban District Council (No. 1) Smoke Control Order, 1965, as tending by reason of its consumption of fuel to impose undue strain on the fuel resources of the said area, namely all appliances designed to burn coke or anthracite unless they are designed and installed with adequate draught and other arrangements to burn all types (but not every size) of coke and anthracite which are capable of being burned in a domestic heating or cooking appliance. This designation means that grant will not be payable on the ordinary improved open grate.
